ARRIVAL

Welcome

Welcome to Sheppard Air Force Base, the largest and most diversified training center in Air Education and Training Command. Sheppard's relationship with its host communities, Wichita Falls, Burkburnett, Iowa Park and surrounding areas, is one of the best in the Air Force. We hope you will find this guide helpful as you become acquainted with the base and local area.

About Your Sponsor

Your sponsor can help with everything from housing to in-processing. He or she is expected, at the very least, to write you concerning the base, your unit's mission, and details about your new job. Upon your arrival, your sponsor will assist with in-processing and help resolve problems. If you have not been appointed a sponsor before departing your current duty station, call the military

personnel flight's INTRO office at 940-676-2224 (DSN 736-2224).

Advance Postal Address Information

You can obtain a U.S. postal box at the U.S. Post Office located on base, Bldg 551. Your sponsor can assist you in obtaining a lock box prior to your arrival; to do so, a completed copy of PS FM 1093 (obtainable from any U.S. Post Office) will be required. Postal

Service Center (PSC) boxes are available at no charge to personnel living in the dorms. Your sponsor can assist you in obtaining a PSC box prior to your arrival. To do so, a copy of your PCS orders will be required. If you do not wish to obtain a PSC box prior to your arrival, you should use the following temporary address for your mail: 527 I Ave General Delivery, Sheppard AFB, TX 76311. Upon your arrival, check the Postal Service Center in Bldg 551 for any hold mail you might have, and you may also obtain a PSC box at the time if you have not already done so. The U.S. Post Office number is 855-3319 and the PSC number is 676-5641.

How To Get Here

Commercial airlines land at Wichita Falls Municipal Airport, which shares Sheppard's runways and is

approximately two miles from the base's main gate. Commercial taxi service runs from the airport to Sheppard. If driving by car, all highways leading to the base are well marked. The main gate is on State Highway 240, off I-44 (U.S. Highways 287 and 281).

The Sheppard Visitor's Center (VC) is just outside the main gate. Visitor's passes for privately-owned vehicles can be obtained at the VC. Vehicle registration can only be taken care of at the 82nd Security Forces Squadron Pass & Registration Office located in Building 2118. If all necessary paperwork is in order (registration, proof of insurance and driver's license) vehicle registration can be accomplished on-the-spot.

24-Hour Arrival Point

When arriving at Sheppard, go to the 24-hour arrival point - Sheppard

Inn, Bldg 1600, Avenue J. Personnel at the reservation desk, located in the front lobby can help you. To arrive at Sheppard Inn from the Main Gate, make a right turn at the first light upon entering the gate. Turn left onto Avenue J and Sheppard Inn will be on the right.

Reporting/In-Processing

Once you terminate your leave/permissive TDY status, report to your Commander's Support Staff (CSS) Office to start your in-processing. When reporting during duty hours, military members must be in compliance with Air Force dress and appearance standards. The personnel clerk in your CSS will schedule you for the necessary appointments (i.e., Accounting and Finance, Traffic Safety, Base Newcomer's Orientation, etc.). Your personnel, medical and

financial records will be collected by your unit CSS. If you have prior military service or you received a direct commission and this is your first permanent duty assignment, bring any documents pertaining to your entry on active duty, i.e., orders, DD Form 4, etc., to your unit CSS. Those arriving after duty hours should report to the Sheppard Inn and to their appropriate squadrons for in-processing the next duty day. Call 676-2834.

New Civilian Members

Civilians should report to the civilian personnel office at the times scheduled in notification letters.

Newcomer's Orientation

Where do you go to receive an introduction to the Sheppard AFB mission, policies, procedures, facilities, as well as information on some helpful services available to you in downtown Wichita Falls? The answer - Base Newcomer's Orientation. You will be scheduled for this orientation by your unit CSS. During orientation, you will receive a wide variety of presentations to acquaint you with the base and local area. Spouses are welcome and highly encouraged to attend; however, there are no child care facilities available to care for young children during the orientation briefings. Newcomer's orientation is normally held the first Thursday of each month.

The Duty Day

Duty hours for Sheppard organizations are controlled due to the excessive traffic flow during reporting and departing hours. Each organization has an established duty-hour schedule including a one-hour lunch period.

Duty Uniforms And Personal Appearance

As a training base, permanent-party members assigned to Sheppard serve as role models for the

thousands of new airmen who train here each year. Therefore, it is important all military members maintain the highest standards of military dress, customs and courtesies. Prescribed standards of personal appearance and behavior should be strictly followed. Customs and courtesies, including salutes and respect for the flag, are expected from every member of the Sheppard community. The standards observed here by our students are the standards they will take with them to their first duty stations.

Vehicle Operations

Base Vehicle Registration

All privately-owned-vehicles must be registered on base the first duty day after the owner brings it onto the installation. Register vehicles

weekdays from 7:30 a.m. to 5 p.m. at Pass and Registration. Registrants are required to show military I.D., valid driver's license, current proof of insurance, and state vehicle registration or duplicate title. Call 676-4135.

Motorcycle Registration

Motorcycles are not registered on base until the operator completes Course IVB, Experienced Rider Course, or can show documentation of completion of a Motorcycle Safety Foundation approved course. The MSF course includes hands-on training and evaluation. Call 676-7303 for class dates.

Base Traffic Rules

Unless otherwise posted, the speed limit for vehicles is 25 mph on base, 20 mph in the housing areas

and 10 mph in parking lots. Military students march in formation to and from the school areas. Use extreme caution approaching marching formations, observing the traffic directions of the formation guides. When passing formations, do not exceed 10 mph. Use of traffic radar detectors is illegal on all DoD installations. Parking is permitted only in marked, designated parking spaces. Recreational vehicles must be parked at the RV lot operated by the 82nd Services Squadron. Additional information concerning traffic hazards and driving situations unique to Sheppard and the Wichita Falls area is presented to all newcomers at the Traffic Safety Course II, Local Conditions. The course is conducted each Tuesday at 8:30 a.m. and 3:30 p.m. (October through May) and at 4:30 p.m.

(June through September). New military and civilian employees must attend this course within 30 days of arrival. Family members, 16 and older, are encouraged to attend the course on a space-available basis. Call 676-4149 or 676-7303.

Seat Belts

Department of Defense and Air Force instructions require all military and civilian members driving to wear seat belts both on and off base. Furthermore, all vehicle passengers on base must wear seat belts. Children 4 and younger, and not exceeding 50 pounds, must be properly secured in a child-restraint system. The American Red Cross has child restraint seats available for a maximum three-month loan to active-duty members. Call 676-1855 or 676-2308.

Driver's Licenses

The Texas Department of Public Safety recognizes the home-state driver's licenses of out-of-state military members. It also recognizes, until expiration, the state license of military

members' previous duty assignments. Texas residents returning after an assignment in another state must renew licenses within 60 days. The nearest DPS driver's license office is located off of I-44 at the Missile Road exit.

License Plates

Those who must register vehicles in Texas have 60 days to do so. The nearest Texas Department of Motor Vehicle Registration Office is located on the corner of Sixth and Scott Streets in Wichita Falls.

Drunk Driving

All vehicle operators assume implied consent when driving in Texas. When stopped for suspicion of drunk driving, the driver will receive a breath or blood-alcohol level test. The legal drinking age in Texas is 21. For those under the legal drinking age, any detectable blood-alcohol content is considered legally drunk and the license will be suspended. If a driver is found at or above the prescribed blood-alcohol limit, and a

driving-while-intoxicated conviction is passed, the first-time offender faces a \$100 to \$2,000 fine, confinement for three days to two years and a possible probation and removal of driving privileges. Any previous charges or involvement of an open container and/or death or injury shall enhance sentencing. Sheppard has an aggressive program to discourage DWI/DUI. Participation in programs such as Airmen Against Drunk Driving, designated driver and the buddy system is strongly encouraged. Those apprehended for DWI/DUI will lose base driving privileges and receive stiff punishment from their commanders.

Unattended Children

It is illegal to leave children 6 and younger unattended in motor vehicles. They must be accompanied by someone at least 14 years old.

Pets

Pets housed on base must be registered within one week of arrival. To register, current inoculation

certificates are required. Texas requires annual rabies vaccinations, which may be obtained at the animal disease prevention and control facility. Appointments are available Monday, Wednesday and Friday, from 8 a.m. to noon and from 1 to 4 p.m. Call 676-6883.

Firearms

Anyone residing in government quarters must register all weapons and ammunition immediately upon arrival, or immediately upon firearm purchase, through unit orderly rooms. With assistance from security forces, proper storage will be

determined depending on where the member lives and the types of weapons owned. Call 676-5165.

Base Security

The 82nd Security Forces Squadron is responsible for base security and providing law enforcement. The law enforcement desk sergeant can be reached at 676-2981. Sheppard has three gates open 24 hours a day. They are the main, hospital and Capehart housing area gates. A fourth, the Missile Road Gate, is open from 5:30 to 8 a.m. and from 3 to 5 p.m., weekdays. The security forces have a very aggressive crime-

prevention program. Narcotics and explosive detection dogs are used extensively throughout the base to deter crime and illegal drug use. The security forces can also provide quarters and vehicle security checks for members on leave or TDY.

Housing

Temporary Lodging Facilities

Temporary quarters are available to PCS families and the families of hospitalized patients on a reserved basis. Reservations for temporary lodging can be made through the billeting office by calling 676-1844 or 676-2707. The modern TLFs consist

of 79 units, 50 with kitchenettes. Most units will accommodate a family of four.

Dormitories

Permanent party enlisted members, airmen live in modern, air-conditioned dormitories. Single members (senior airmen and below) are required to live in the dormitories unless waived by the Support Group commander, or designated representative. Housing for voluntarily unaccompanied members - dormitories and bachelor quarters - is extremely limited.

Family Housing

Sheppard has 1,287 military family housing units in three separate

housing areas: Capehart, Wherry and Bunker Hill. Floor plans vary from two- to four-bedrooms; all units are centrally heated and air-conditioned and equipped with dishwashers, stoves, refrigerators and garbage disposals.

All servicemembers eligible for government family housing may submit advance applications. This may be done through the losing station housing office prior to PCS. Waiting times vary due to several planned and ongoing renovation and replacement housing projects. Members should contact the housing management office frequently concerning their status on the waiting list. Walk-in applicants face longer waiting times than those who send advance

applications. Personal preferences for a specific housing area, school district or type of house can and do have an effect on how long the wait will be.

Off-Base Housing

Anyone not immediately assigned government family housing or bachelor quarters must visit the housing office before making arrangements to rent, lease or purchase housing off base. The Housing Management Office is open from 7:30 a.m. to 4:30 p.m. Monday, Wednesday, and Friday and from 9 a.m. to 4:30 p.m. Tuesday and Thursday. Information on housing in the surrounding communities is available to all military, retired military and transferring DoD civilian employees. Call 676-1840.

HISTORY

Sheppard AFB has been providing top-notch instruction in a diverse array of Air Force specialties for more than half a century.

Though the mission has changed several times, Sheppard has always been in the training business since it was officially opened as an active Army Air Corps base in October 1941.

Sheppard Field was first conceived Nov. 29, 1940, when Maj. Gen. Rush B. Lincoln, commandant of U.S. Army Air Corps Technical Schools, surveyed sites around the city of Wichita Falls for a proposed training school.

J. S. Bridwell, a Wichita Falls cattleman, offered 300 acres just south of Kell Field to the government for one dollar. The Army Air Corps officially

approved the school plans in February 1941.

Thus Sheppard Field began as a World War II Army Air Corps training center when representatives of the War Department and the city of Wichita Falls entered into a lease agreement. The lease gave the government the right to build and operate a military installation adjacent to the Wichita Falls Municipal Airport, and granted the government the right to full use of the airport's land, runways, and facilities.

Official dedication of the field was Oct. 17, 1941, following the arrival of the first military members June 14. The field was named for the late Senator Morris E. Sheppard, former chairman of the Senate Military Affairs Committee. Facilities were completed

sufficiently to allow the first class of 22 aviation mechanics to enter training that October; the class graduated Feb. 23, 1942.

During World War II, Sheppard conducted basic training and it also trained glider mechanics, technical training for B-25 and B-26 crew chiefs and B-29 engineers. The base also provided liaison aircraft training for ground officers and helicopter pilot training.

The field reached its peak strength of 46,340 people while serving as a separation center for troops being discharged following World War II from September through November 1945.

Sheppard Field was deactivated Aug. 31, 1946 and declared surplus to the War Department's needs; it was

transferred to the jurisdiction of the Corps of Engineers April 30, 1947.

Control and accountability for Sheppard Field was transferred to the Department of the Air Force Aug. 1, 1948. It was reactivated Aug. 15, 1948, to supplement Lackland AFB, Texas, as a basic-training center and was renamed Sheppard AFB.

Basic training was discontinued in June 1949, but was resumed from July 1950 to May 1952. The aircraft mechanics school was transferred to Sheppard from Keesler AFB, Miss. in April 1949 to make room for expansion of electronic training at that base. The school was renamed the Department of Aircraft Maintenance Training within the 3750th Technical School.

Comptroller, transportation, and intelligence training moved to Sheppard from Lowry AFB, Colo., in the fall of 1954. Communications, refrigeration, air conditioning, and power production operator and repairman training were transferred here from F.E. Warren AFB, Wyo., in 1959. Intelligence training returned to Lowry in February 1962. Training in certain missile

systems began at Sheppard in 1957 and was conducted here through September 1985.

The 3750th Technical Training Wing was designated the Sheppard Technical Training Center Jan. 1, 1959.

Field training became an important part of Sheppard's mission in 1959, when management of 53 field training detachments was assigned to Sheppard. Additional detachments were added in 1966 and, in 1971, Sheppard assumed responsibility for all field-training detachments under supervision of the Department of Field Training. The department was designated the 3785th Field Training Wing in July 1984.

A Strategic Air Command operational wing of B-52 bombers and KC-135 tanker aircraft was located at Sheppard from 1960 to 1965. In July 1969 Detachment 1, 2nd Bombardment Wing, with four B-52 aircraft, became a tenant organization and remained here until 1975.

The U.S. Air Force Medical Service School began its move to Sheppard from Gunter AFB, Ala. in March 1966. On June 10, 1971, the name changed to the School of Health Care Sciences and on April 15, 1988, it was designated the 3790th Medical Service Training Wing.

Its six teaching squadrons provide training for most Air Force medical service members in biomedical sciences, dentistry, health service administration, clinical sciences, medical readiness and nursing. Until 1991, this training included an orientation course for newly commissioned medical service officers. The Military Indoctrination for Medical Service Officers course was moved to Lackland in 1991.

Helicopter pilot training was transferred from Stead AFB, Nev., in October 1965. It included firefighting training in addition to undergraduate helicopter pilot training. H-19, H-43 and CH-3C helicopters were used for training.

The 3630th Flying Training Wing was activated in 1965, and it assumed the helicopter training program. It began providing undergraduate pilot training in the T-37 and T-38 for the German Air Force in August 1966.

Helicopter training was discontinued in 1971 when the U.S. Army assumed responsibility for training Air Force helicopter pilots.

The 3630th Flying Training Wing also provided undergraduate pilot training for pilots of the Republic of Vietnam Air Force from 1971 to 1975.

The wing designation was changed to the 80th Flying Training Wing in 1973.

The 80th Flying Training Wing began conducting the Euro-NATO Joint Jet Pilot Training Program in 1981. This one-of-a-kind program provides fighter-oriented pilot training for 13 NATO countries. They are: Belgium, Canada, Denmark, Germany, Greece, Italy, the Netherlands, Norway, Portugal, Spain, Turkey, the United Kingdom and the United States. The program has been approved through the year 2005.

In February 1992, restructuring and downsizing of the Air Force caused a realignment and renumbering of units at Sheppard. Some of the training wings were redesignated as groups, and the technical training groups became squadrons. Within the 882nd Training Group, the teaching departments were redesignated as teaching squadrons.

Today, Sheppard is the largest of four technical training wings in the Air Education and Training Command, and is the most diversified. Four organizations, the 80th Flying Training Wing, the 82nd Training Group, the 782nd Training Group and the 882nd Training Group, conduct resident training that qualifies students in a broad range of career fields - from pilot, aircraft maintenance, civil engineering, communications, comptroller and transportation to a wide scope of medical specialties.

The 982nd Training Group provides instruction in a wide range of specialties at more than 40 Air Force installations worldwide. The 82nd Support Group, 82nd Logistics Group, and 82nd Medical Group support these organizations.

MISSION

Air Education and Training Command, with headquarters at Randolph AFB near San Antonio, Texas, was established July 1, 1993, with the realignment of Air Training Command and Air University.

Its mission is to recruit, train, and educate quality people through military, technical and flying training; and, pre-commissioning, professional military and continuing education.

The command includes two numbered air forces, the Air University, Air Force Recruiting Service and Wilford Hall Medical Center. More than 43,000 active-duty members and 14,000 civilians make up AETC. The command has responsibility for approximately 1,500 aircraft.

The 2nd Air Force, headquartered at Keesler AFB, Miss., manages all operational aspects of nearly 5,000 active training courses taught to approximately 190,000 students annually in technical training, basic military training, medical courses and distance-learning courses. Four training wings, a geographically separated training group at Vandenberg AFB, Calif., and 35 geographically separated units report to 2nd Air Force.

Resident courses are conducted at Keesler AFB, Miss., Lackland, Sheppard and Goodfellow Air Force bases in Texas; and Vandenberg AFB, Calif.

The 19th Air Force, headquartered at Randolph AFB, is responsible for managing all flying training in AETC.

Headquarters 19th Air Force exercises operational control over 11 active-duty units and two Air Force Reserve Command wings. It also has operational oversight of five Air National Guard units.

It provides undergraduate, specialized and joint undergraduate pilot and joint undergraduate navigator training and electronic warfare officer training; introduction to fighter and bomber fundamentals; air weapons controller and air battle management training; initial and instructor enlisted aircrew member training; initial, upgrade and advanced training for helicopter and special operations aircrew; tanker/airlift aircrew; fighter aircrew; and, aircrew survival training.

Prior to pilot training, pilot candidates participate in Introductory Flight Training. Students fly with civilian flight schools and earn their private pilot's licenses during the 50-hour program. This program is designed to familiarize candidates with the flying environment.

The 12th Flying Training Wing at Randolph AFB, Texas, conducts Pilot Instructor Training. Nineteenth Air Force conducts two 49-week, Specialized Undergraduate Pilot Training programs; Joint Navy and Air Force Specialized Undergraduate Pilot Training at Vance AFB, Okla., and Specialized Undergraduate Pilot Training at Laughlin AFB, Texas, and Columbus AFB, Miss.

In SUPT, students selected for airlift or tanker aircraft fly advanced training in the T-1A and those selected for fighter or bomber aircraft train in the T-38. Students selected for C-130s participate in 24 weeks of Navy advanced

joint undergraduate pilot training at NAS Corpus Christi, Texas. Students selected for helicopter training receive U.S. Army rotary wing training at the 23 FTS at Fort Rucker, Ala.

Euro-NATO Joint Jet Pilot Training is an international effort conducted by the U.S. Air Force and its North Atlantic Treaty Organization allies. This program, at Sheppard AFB, trains pilots from NATO countries as well as U.S. Air Force pilots. Primary training is conducted in the T-37 and advanced training in the T-38. ENJJPT instructor pilots are also trained.

Introduction to Fighter Fundamentals training is conducted at Randolph AFB, Texas, Sheppard AFB and Columbus AFB, Miss, in the AT-38. The IFF program ensures graduates possess the attitude, knowledge, skills, and level of proficiency required to enter and complete follow-on fighter training. This training is conducted at Tyndall

AFB, Fla., for F-15s and at Luke AFB, Ariz., for F-16s.

The 97th Air Mobility Wing at Altus AFB, Okla., conducts Combat Crew Training for the C-5, C-17, C-141, and KC-135 weapon systems for seven Air Force major commands and international air forces. The complete spectrum of officer and enlisted aircrew training from initial qualification courses through instructor courses are taught by a combination of contractor and Air Force instructors. Specialized C-130 initial, mission, and instructor training for officer and enlisted aircrew members is conducted by the 314th Airlift Wing at Little Rock AFB, Ark., for the U.S. Air Force, sister services and allied nations. Additionally the 314th AW is also responsible for C-21 formal training conducted by the 45th Airlift Flight at Keesler AFB, Miss.

Combat Crew Training, both initial and upgrade, for Special Operations and Combat Search and Rescue pilots, navigators, electronic weapons systems officers, flight engineers, loadmasters, communications systems operators, and aerial gunners is conducted at Kirtland AFB, N.M. Flight training is also conducted at Kirtland for UH-1N, MH-53J, TH-53A, and HH-60G helicopters, and MC-130P and MC-130H aircraft. C-12 and UH-1H training is conducted at Fort Rucker, Ala.

The AETC also conducts the Air Force survival course at Fairchild AFB, WA. The course provides survival, evasion, resistance and escape training primarily for aircrew members. Instructors assigned to the survival school teach seven courses to approximately 6,500 students annually. Five of the seven courses are taught at Fairchild. The remaining courses are conducted at NAS Pensacola, Fla., and Eielson AFB, Alaska.

Air University is the education arm of Air Education and Training Command. The AU provides a continuum of education to military officers and enlisted members and educates civilians. Education programs cover many topics but focus on the profession of arms and the employment and organization of aerospace power. International officers from more than 100 countries

have studied and continue to attend AU institutions. AU is responsible for enlisted technical training in the historian, paralegal, and chaplain service support career fields.

Air Force Recruiting Service, with headquarters at Randolph AFB, Texas, is a major component of Air Education and Training Command.

The mission of the AFRS is to recruit high-quality people for today's Air Force. Seeking intelligent young men and women who can be trained to handle the sophisticated systems and equipment of today's highly technical aerospace force.

Air Force Recruiting Service is also responsible for recruiting physicians, dentists, nurses, health-care administrators, biomedical scientists, and chaplains from civilian sources, and for obtaining officer candidates for Officer Training School and the Air Force Reserve Officer Training Corps.

Wilford Hall Medical Center, located at Lackland AFB, Texas, is one of America's national medical resources and home of the 59th Medical Wing.

The medical center staff totals more than 4,500. The 500-bed medical center serves as Lackland's hospital, a specialized treatment center for the southern United States and a referral center for patients evacuated from around the world.

Air Education and Training Command is also deeply involved in training medical personnel for our Air Force's future. They are responsible for providing 55 percent of the Air Force's graduate dental education, 65 percent of graduate medical education, and nearly 90 percent of the Air Force's enlisted medical training.

82nd Training Wing

Sheppard is the most diversified of the training bases in AETC. As a part of the 1993 reorganization, Sheppard Training Center was re-designated as the 82nd Training Wing. Military members receive basic and advanced courses in fields of study ranging from pharmacy to power production; aircraft maintenance to budget and data systems. The 82nd, 782nd, 882nd and

982nd training groups administer the 82nd TRW's training programs. The base receives major operational support from the 82nd Support Group, the 82nd Medical Group (Sheppard Hospital) and the 82nd Logistics Group.

82nd Training Wing/Training Operations

This staff agency serves as the single point of control for all Sheppard technical and military training issues for the 82nd

Training Wing Commander and higher headquarters and supports training for more than 87,000 Air Force, DoD and international students annually. Along with administering the wing's military and technical training programs, the 82nd TRW /TO develops wing policy and promotes identification and crossfeed of best practices in training. It serves as a central point for prioritization and balance of student training requirements against available

wing resources, managing sixteen student dormitories and more than \$2.3 billion in assists for four group staffs, thirteen squadrons and 62 geographically separated units. As the primary advocate for resources to Air Staff and Major Commands, it provides execution oversight of a \$40.7 million training budget. In addition, the agency manages integration of technology in training, faculty and staff development, and serves as a liaison for Air Force Reserve, Air National Guard, and sister-service students.

82nd Training Group

The group educates officers and airmen, infusing lifetime values and war-fighting skills for global customers. It is responsible for developing and teaching 202 faculty development, maintenance officer, aircraft maintenance and enlisted aircrew courses, and 37 CDC courses. It's responsible for more than 30,000 U.S. Air Force and DoD and international students annually and manages \$1.5 billion in aircraft, buildings, and equipment, with an O&M budget of \$19.4 million.

Almost 6,000 military and civilian members are assigned to the 8~2nd TRG.

360th Training Squadron

This unit is responsible for 1,400 members and four geographically separated units. It trains more than 6,000 graduates annually. It manages assets, including 15 aircraft of six types, worth more than \$690 million. The unit develops and instructs 51 maintenance officer, enlisted aircraft maintenance, and enlisted aircrew courses, conducting aircraft maintenance training on two active flight lines. It maintains 10 career development courses.

361st Training Squadron

This unit trains more than 6,500 students annually. It develops and instructs 60 courses in fuel and egress systems, aerospace propulsion, aerospace ground equipment, aircrew life support, survival equipment, aircraft structural maintenance, nonde-

structive inspection, aircraft metals technology, vehicle body repair, and 13 CDCs. It manages more than 1,700 people to include two geographically separated units.

362nd Training Squadron

This squadron is responsible for 1,300 members and three geographically separated units. It trains more than 11,000 graduates annually. The unit manages assets, including 34 tactical aircraft of three types worth more than \$470 million. The squadron develops and instructs 29 enlisted aircraft maintenance courses, conducting aircraft maintenance training on three active flight lines. It maintains eight career development courses.

363rd Training Squadron

Training more than 4,100 students annually, this unit develops and instructs 17 academic apprentice, craftsman and supplemental courses for aircraft armament, nuclear weapons and conventional munitions, and military training. It maintains eight CDCs, 23 Type-V courses, and sustains course accreditation for Community College of the Air Force degree and licensing. It manages training assets valued at more than \$196 million. The squadron is responsible for more than 875 students daily.

782nd Training Group

The 782nd Training Group has four squadrons supporting training for Air Force, Navy, Army and Marine Corps military, civilians and foreign students. Three squadrons conduct the technical training of 18,500 students annually. Training in seven career field families includes: comptroller, telecommunications, aircraft systems, avionics, civil engineer, fuels and vehicle operations. The fourth squadron is a training support squadron located at Hill AFB, Utah providing Combat Camera, video production and interactive multimedia instruction to AF and DoD customers around the world. The training

administrator, evaluations staff, and information management professionals provide additional technical and administrative support to the group.

Evaluations Office

Evaluations provides quality assessment and feedback on operational training and support for 782nd Training Group customers through collection and analysis of data. It provides consistent policy guidance and coordination across four training squadrons. It also creates and disseminates guidance in the development of CDCs for the 82nd and 782nd training groups, and ensures adequate numbers of CDC writers are scheduled for the Specialty Knowledge Test program.

364th Training Squadron

The 364th Training Squadron develops and conducts mobile, in-resident, and career development technical and military training for more than 4,700 international and U.S. military students and civilian DoD students

annually in the telecommunications, comptroller, and aircraft systems maintenance career fields.

365th Training Squadron

The 365th Training Squadron develops and conducts technical and military training for more than 2,400 international and U.S. military students and civilian DoD students annually for 10 maintenance career fields, including avionics. It is responsible for 29 resident and 24 nonresident CDCs used at Sheppard AFB and U.S. Air Force installations worldwide.

366th Training Squadron

The 366th Training Squadron conducts technical training for 13,700 Air Force, Navy, and Army military, civilian and foreign students annually in civil engineer, vehicle operations and fuels career fields. The civil engineer apprentice courses are taught to Air Force, Army and Navy students at Sheppard and at civil engineer training

detachments at Eglin AFB (Navy EOD school), Fla., Gulfport NCTC, Miss., and Fort Leonard Wood, MO.

367th Training Support Squadron

This unit located at Hill AFB, Utah, has three missions. The first is to design, develop, produce and distribute interactive courseware and media products for DoD and Air Force customers throughout the world. Second, the 367TRSS also contains the premier video production unit in the AF with the largest stock footage library and the only mobile TV broadcast truck fleet in the Air Force. Third, this unit provides ground and aerial Combat Camera support to military operations around the globe.

882nd Training Group

The 882nd Training Group consists of one support squadron and three training squadrons. The training squadrons conduct apprentice and advanced/supplemental medical training in multiple disciplines: biomedical sciences, dental, health service administration, clinical sciences, and nursing with additional emphasis on medical readiness. Most enlisted members in Air Force health care career fields received their indoctrination or specialty training from the 882 TRG. Approximately 14,000 students attend courses each year including nearly 1,200 Army, Navy and Coast Guard members in interservice courses. On any given day, about 1,400 students are in varying phases of training throughout the group.

882nd Training Support Squadron

This squadron supports the three training squadrons including course and faculty development with resource management and oversight, information systems and interactive courseware development, and student accounting functions for 20,418 students and 201 resident and nonresident courses/symposia annually. The squadron is responsible for the

management of 40 buildings with 94 acres to include a 53-acre medical readiness site, staffing actions for 473 authorizations, an annual operating budget of \$10 million, and \$58 million in equipment and facilities. A recently added group mobility and medical readiness mission, the first in the history of the 882d TRG, is also managed by the 882d TRSS.

381st Training Squadron

This squadron conducts dental assistant apprentice technical training, dental laboratory apprentice technical training, and dental laboratory advanced/supplemental training for Army, Navy and Air Force enlisted personnel; and advanced symposia for Air Force dental officers. The squadron also provides medical readiness training in Basic Medical Readiness, Expeditionary Medical Support, Aeromedical Evacuation Contingency Operations, Air Staging Squadron and Medical Readiness Planners. A major function of the readiness mission includes training in basic wartime lifesaving techniques required for all medical initial skills airmen courses.

382nd Training Squadron

The squadron is responsible for resident and nonresident officer and

enlisted personnel courses in a broad range of Air Force medical specialties: diagnostic imaging, ultrasound, diet therapy, pharmacy, medical laboratory, and physical and occupational therapy, health services administration, biomedical equipment maintenance, health services management and medical materiel. Squadron members manage Phase II (follow-on) training at 15 sites across four MAJCOMs.

383rd Training Squadron

This squadron conducts apprentice-level military and advanced/supplemental technical training for medical service and surgical service technicians, mental health, cardiopulmonary, independent duty medical technician, and optometry. It also teaches advanced training in physician assistant, nursing management, staff development, infection control and epidemiology, operating room nursing, and obstetrical nursing.

982nd Training Group

This group boasts the motto, "The World is our Classroom," and its mission is to provide quality hands-on aircraft maintenance training to meet the evolving needs of its primary customer, the first-line supervisor. The group takes the classroom to maintenance specialists at 44 worldwide

locations, including Europe, Alaska and the Pacific Theater. More than 800 people are assigned to the group and its two training squadrons. The group's annual student production exceeds 30,000.

372nd Training Squadron

The 372nd Training Squadron provides skill-level awarding and formal advanced aircraft maintenance training for fighter, bomber, and unmanned aerial vehicles for seven MAJCOMs, ANG, sister services and allied forces. It trains over 15,000 students annually in 282 courses at 27 detachments worldwide and through Mobile Field Training Teams dispatched to support Air Staff-directed weapon systems conversions.

373rd Training Squadron

The 373rd Training Squadron provides skill-level awarding and formal advanced aircraft maintenance training on airlift, tanker, special operations and special mission wide-bodied aircraft to eight MAJCOMs, ANG, sister services and allied forces. It trains over 14,000 students annually in 381 courses at 17 CONUS detachments and through Mobile Field Training Teams dispatched worldwide to support Air Staff-directed weapon systems conversions.

82nd Mission Support Group

The 82nd Mission Support Group provides all civil engineer, personnel, communications, services, law enforcement, contracting and logistics readiness support for the Air Force's largest training wing and the Air Force's only US/Euro-NATO Joint Jet Flying Training Wing. The unit serves more than 24,000 people and exceeds 65,000 students per year with a work force of more than 2,400 employees. The group also serves as the base liaison with the U. S. Army Corps of Engineers, Army and Air Force Exchange Service, the Defense Commissary Agency and the Defense Logistics Agency.

82nd Medical Group

Sheppard's hospital, under administration of the 82nd Medical Group, has a capacity of 45 beds. In addition to serving more than 25,000 beneficiaries in the local area, the hospital is the closest military medical treatment facility for more than 100,000 other beneficiaries. As a regional hospital, it also medically supports 10 other bases in the southwest.

80th Flying Training Wing

The 80th Flying Training Wing is the home of the Euro-NATO Joint Jet Pilot Training Program (ENJJPT), the free world's only internationally manned and managed undergraduate pilot training program. ENJJPT is unique because it is a multinational endeavor chartered to train NATO pilots. Thirteen NATO nations participate: Belgium, Canada, Denmark, Germany, Greece, Italy, The Netherlands, Norway, Portugal, Spain, Turkey, United Kingdom, and the United States. Half the key positions in the wing are filled by allied officers, and the 80 FTW is the only UPT wing in Air Education and Training Command which conducts its own program to train newly assigned instructor pilots. Since its creation in 1981, ENJJPT has produced an average of 250 pilots a year for the NATO Alliance. The wing is a fully integrated

staff of 1,300 military, civilian, and contract personnel, employing 217 T-37, T-38, and AT-38 aircraft, flying 86,000 hours.

80th Operations Group

80th Operations Support Squadron

A multinational squadron comprised of 200 personnel from 13 nations, providing operation support for the ENJJPT program. It provides airfield/airspace management, weather, air traffic control, flight records, programming, life support, computer systems, and personnel/information management, supporting 600 permanent party and 410 student personnel yearly.

88th Flying Training Squadron

AETC's most diverse multinational flying training squadron consists of 70 people from 13 nations. It runs the only Pilot Instructor Training program for ENJJPT and graduates 110 instructor pilots annually in the T-37B and T-38A aircraft. It employs the AT-38B aircraft in the only Introduction to

Fighter Fundamentals program in NATO and graduates 150 pilots annually for follow-on training.

89th Flying Training Squadron

Multinational flying squadron comprised of 95 personnel from 13 nations. It provides primary jet flying training in support of the ENJJPT Program. It employs 97 primary-assigned T-37 aircraft, flying 31,000 sorties and over 40,000 hours to transition 250 pilot candidates to fighter aircraft each year.

90th Flying Training Squadron

AETC's largest T-38 multinational flying training squadron comprised of 97 personnel from 13 nations. It provides advanced jet flying training in support of the ENJJPT Program. It employs 95 assigned T-38 aircraft, flying 34,700 sorties and over 40,000 hours to transition 250 pilot candidates to fighter aircraft each year.

Mission Aircraft

T-37 Tweet

The T-37 Tweet is a twin-engine jet used for undergraduate pilot, undergraduate navigator and tactical navigation training. It is used to train students in the fundamentals of aircraft handling, instrument, formation and night flying. The Tweet was the first aircraft designed specifically for this purpose. The versatile T-37 can also be modified to fly military surveillance,

low-level attack missions and forward air control. The Tweet's twin engines and flying characteristics give students the required feel for handling the larger, faster T-38 Talon later during UPT. The instructor sits beside the student pilot in an enclosed cockpit, making training easier. The cockpit has dual controls, ejection seats and a jettisonable clamshell-type canopy. The T-37 has hydraulically operated speed brakes, tricycle landing gear and a steerable nose wheel. Six rubber-cell interconnected fuel tanks in each wing feed the main tank in the fuselage behind the cockpit.

The T-38 Talon

The T-38 Talon is a twin-engine high-altitude, supersonic jet trainer. It is used in a variety of roles because of its design, economy of operations, ease of maintenance, high performance and exceptional safety record. The T-38 has swept-back wings, a streamlined

fuselage and tricycle landing gear with a steerable nose-wheel. Two independent hydraulic systems power the ailerons, flaps, rudder and other flight control surfaces.

The instructor and student sit in tandem on rocket-powered ejection seats in a pressurized air-conditioned cockpit. The T-38 needs only 2,300 feet to take off and can climb from sea level to nearly 30,000 feet in one minute.

The Talon first flew in 1959. More than 1,100 were delivered to the Air Force between 1961 and 1972, when production ended.

AT-38 Talon

The AT-38B is a specially modified version of the T-38 used to prepare pilots for fighter aircraft such as the A-10, F-15, and F-16. It's used in the 80th FTW's IFF course and carries external armament and associated weapons delivery equipment for training purposes.

Air Force Audit Agency

The Sheppard Area Audit Office is a detachment of the Air Force Audit Agency, Washington, D.C., a separate operating agency with major-air-command status. The agency performs internal audits of all Air Force operations, systems, functions, and activities. These audits are planned according to management needs and available audit resources.

Under the auspices of the Commanders Audit Program, audit services are further tailored to review specific problems of concern to installation and tenant commanders. The Sheppard office also has audit responsibility for Altus AFB, Okla.

Office Of Special Investigations

Special investigative services are provided by Detachment 411, Air Force Office of Special Investigations. The unit works closely with base security police investigators, local police agencies, and other federal agencies. The local unit conducts major criminal, fraud and counter-intelligence investigations.

FAMILY CONCERNS

Child Development Center

The child development center is equipped to care for children from 6 weeks to 8 years. There is also an enrichment program available for preschool children ages 3 to 5 years. The CDC, in conjunction with the Air Force Aid Society, provides "Parent's Break" program twice monthly. There are a variety of payment options available. Normal hours of operation are

from 5:30 a.m. to 6 p.m., weekdays, one Saturday evening, and one Sunday afternoon per month. Call 676-2038.

Employment Opportunities

The Non-Appropriated Funds Human Resources Office provides job information to those interested in employment at recreational facilities or in the lodging area. A list of positions is

posted in the NAF office. Call 676-6394. The Sheppard Civilian Personnel Customer Service Center provides a central location for people seeking civil service employment. Call 676-6835. Sheppard's Family Support Center also has job-search assistance programs available, as well as a host of other resources for those seeking employment in the local area. It also operates the Transition Assistance Program for those people

separating from the service. A number of government contractors on base maintain additional personnel offices. The Texas Employment Commission, 4309 Jacksboro Highway, Suite 100, in Wichita Falls, can assist family members in obtaining either full or part-time employment.

Family Home Day-care

The Family Home Day-care program is administered through the family day care coordinator. It provides licensed childcare in base housing units under Air Force guidance and training programs. The 82nd Support Group commander grants the privilege to people in base quarters who want to provide service to other Air Force families. Call 676-4237.

Family Services

The Family Services loan room is located in Family Support, building 796. Hours of operation are Monday-Friday, 8 a.m. - 4:30 p.m.

This organization helps military families with essential household items for a short-term period pending arrival of their household goods, or just prior to departure from Sheppard.

These items include such essentials as dish packs, cooking utensils, irons, ironing boards, futon mattresses and high chairs. Linens are not available. Call 676-2300/4358 for assistance.

Airman's Attic

The Airman's Attic is located in building 962, on the corner of Ave I and 9th Street. Hours of operation are Monday, Tuesday, Thursday and Friday from 10 a.m.- 2 p.m., and Wednesday from noon - 4 p.m. All items in the Attic are donated and are available free of charge to E-5 and below.

Donated items include clothing for the entire family, uniforms, books, toys, household items and small appliances. Furniture items are not available through the Airman's Attic

due to lack of space. Donations are accepted at the Attic during open hours. Donations should not be left outside the door when it is closed.

The Airman's Attic is manned entirely by a volunteer staff. If no volunteer is available, the Airman's Attic will not be open. Please call ahead to determine if a volunteer is on duty. Call the Attic at 676-5474, or the Family Support Center at 676-4358

Family Support Center

The Family Support Center is located in building 796 on Avenue I. It serves as a focal point for helping military members and their families adapt to the Air Force way of life. Call 676-4358/4257 for information.

A military spouse orientation is offered monthly and provides an avenue for spouses new to the Air Force or newly arriving to learn about the base and the local communities. Other programs and services include financial counseling, budget preparation and working with creditors. The

Transition Assistance Program is geared toward helping retirees and those separating from the service make the transition from the Air Force to civilian life. The Center also operates the Career Focus Program, helping military spouses seek employment in the local area. Family Life Development classes help people cope with day-to-day problems, and the Air Force Aid Society provides funds for emergency situations as well as education assistance.

The Center is open weekdays during normal duty hours. All services are free.

Schools For Base Housing Residents

Two school districts serve the three Sheppard housing areas. Capehart children attend schools in the Burkburnett Independent School District. Kindergartners through 6th graders attend the John Tower Elementary School, within walking distance. Junior and senior high school

students are bused to schools in nearby Burkburnett. Children residing in Wherry housing attend schools in the Wichita Falls Independent School District. Elementary students attend Sheppard Elementary School, located in the housing area. Other students are bused to nearby Kirby Junior High School or Hirschi High School. Children living in Bunker Hill are bused to either the Wichita Falls or Burkburnett schools depending on the specific location of their assigned housing.

Youth Activities Center

Children of active-duty and retired military members, DoD, and NAF employees can complete year-round programs of recreational, cultural, educational and social activities through the base youth center. The main facility has a well-equipped teen lounge including a gymnasium, game, computer, music, gymnastics and multi-purpose rooms. Programs are planned for youth ages 5 to 18, with

some instructional classes and sports programs. Summer and school age care programs are available for children age 5 through sixth grade. These include crafts, physical fitness activities, tours, bowling, skating, swimming and outdoor fun. The center is the hub of youth sports programs, including Little League baseball, T-ball, softball, football, basketball, tennis and golf. Instructional classes include swim lessons, tap and ballet dance lessons, gymnastics, karate, tennis and golf. The School Age Care program recognizes the needs of working parents and their children and offers SAC as a year-round program. Youth Activities currently offers a before-and-after-school program, holiday summer day camps and day camps for elementary intercession. Parents can visit the facility and meet the staff before making decisions concerning child-care. The program is open to all children in kindergarten through sixth grades for Sheppard, Kate Haynes, and John G. Tower Elementary Schools only.

MEDICAL CARE

Sheppard's hospital, under administration of the 82nd Medical Group, serves more than 25,000 beneficiaries in the local area. The hospital provides comprehensive health care to include, but not limited to:

- Flight Medicine
- Internal Medicine
- Mental Health
- Pediatrics
- Allergy/Immunizations
- Neurology*
- Periodontics
- Audiology
- Otorhinolaryngology
- Pharmacy
- Emergency Services
- Obstetrics/Gynecology
- Physical Therapy
- Podiatry
- Endodontics
- Ophthalmology
- Prosthodontics
- Exceptional Family Member Program
- Optometry
- Radiology
- Family Advocacy Program
- Oral Maxillofacial Surgery
- Surgery
- Family Practice
- Orthodontics (limited)
- Urology
- General Dentistry
- Orthopedics
- Public Health
- *Temporarily Closed

Emergency Services

The Emergency Services Department maintains a 24-hour, on-base ambulance service, caring for medical, surgical and psychiatric emergencies. Patients are seen on the basis of medical priority.

Note: If you need an ambulance, dial 911. All others call 676-2333.

Dependent Medical Care

Family members have full access to the health resources of the hospital. Children younger than 18 must be accompanied by a parent (or another adult who has a limited power of attorney) to give consent for treatment for even the most minor conditions.

Dental Services

Almost all specialty dental care is available to active-duty members. A very limited amount of specialty care may be provided to family

members or retirees on a space-available basis. Normal dental clinic hours are from 7:30 a.m. to 4:30 p.m., Monday through Friday. Priority care is set by public law as follows:

- a. Active-duty members
- b. Family members of active-duty personnel and of military members who died on active duty
- c. Retired military members and their eligible family members.

Patients in category b or c are seen on a very limited space-available basis. Therefore, enrollment in the family member dental plan, is strongly encouraged for family members of active duty while retirees and their eligible family members should seek insurance coverage through a

third party. Enrollment can be accomplished directly with United Concordia Companies Inc. Inquiries concerning application for eligibility, enrollment, change of election coverage/benefits, dental premium payroll authorization, claim inquiries, and appeals can be taken care of through the dental contractor at 1-800-866-8499, or www.ucci.com.

For routine dental care, an examination is required before scheduling additional treatment appointments. Active-duty members are normally scheduled for examinations by their squadron health monitors in coordination with the dental clinic.

Dental Emergencies

Patients with acute oral pain, swelling, bleeding or severe dysfunction may report to the dental clinic for sick call at 7:30 a.m. or 1:00 p.m. Emergency care is provided to relieve pain and suffering and does not always include definitive procedures such as permanent fillings, denture

repairs or walk-in examinations. As a result, additional appointments may be necessary to fully address a patient's dental needs. Non-active duty beneficiaries with family member dental insurance are normally referred to a civilian provider for definitive treatment under the dental insurance plan. Active-duty members and those with severe or acute problems have priority. Patients with dental emergencies after normal duty hours may report to the hospital's emergency services department. A dental officer and technician on call will be contacted to provide assessment/treatment as necessary.

Medical Appointments

Except for emergencies, patients are seen by appointment only. Call 676-1847. Those requiring immunizations should call 676-3757. A provider must order mammography services. Call 676-6033. Anyone currently being followed by the aerospace medicine flight should call 676-6509.

The afternoon of the first Wednesday of each month is dedicated to medical readiness training for the entire 82nd Medical Group and may affect appointment availability for that day.

Acute Care

Non-prior service students and TDY personnel are seen by appointment at the Student Health Clinic. Appointments are available from 6 a.m. to 5 p.m. weekdays. The student, the student's military training manager or instructor supervisor can schedule appointments.

Permanent-party members, retirees, dependents of active duty and retirees, and other eligible beneficiaries may schedule appointments through central appointments. Appointments are available starting at 7 a.m. each duty day.

Acute Care for personnel on flying status is by appointment only. Active-duty members to the 80th FTW, 80th OSS, 88th FTS, 89th FTS, 90th FTS, 97th FTS, Fire Department,

362nd TRS aircrew personnel and 82nd AMDS and their families are seen in the Flight Medicine Clinic. Call 676-6509. Return to flying status is 7:30 to 8 a.m. and 11 to 11:30 a.m. The clinic is closed from 11:30 a.m. to 12:30 p.m. daily.

Outpatient/Inpatient Mental Health Care

Psychiatrists, psychologists, clinical social workers, and mental health technicians provide a myriad of care. Individual, couple and group therapy, psychiatric/psychological evaluations, psychotropic management and stress management for example are offered. Call 676-6075 for appointments at the Life Skills Support Center (outpatient mental health), 7 a.m. to 5 p.m. Monday through Friday. The inpatient mental health component is a 12-bed unit with three seclusion rooms for those at greatest risk of hurting themselves or others. Inpatient services are limited to active duty only. Family members may receive these services through TRICARE.

Alcohol and Drug Abuse Prevention and Treatment (ADAPT)

Assessment and limited outpatient treatment services are available for all active duty members. Treatment is individualized, needs specific, and clinically driven. Initial assessment and referral is available for family members, retiree's and other eligible beneficiaries.

Family Advocacy Program

The Outreach component disseminates access to the preventive, educational, and treatment services offered through the Family Advocacy Program. The New Parents Support Program component employs two registered nurses to provide preventive, in-home advice and guidance to parents from the point of conception through the third year of life.

The Exceptional Family Member Program component provides

administrative services (overseas clearances, EFMP reassignments, Q code, etc.) and referrals for active duty family members who have special or exceptional needs. These exceptional needs may include medical, physical, educational, or psychiatric concerns.

The family maltreatment component provides identification, intervention, education, and treatment for military families exhibiting incidences of spousal abuse and child abuse or neglect. Call 676-2271/3018.

TRICARE

TRICARE is a comprehensive health benefits program supplementing the care available in military treatment facilities to family members of service-members. TRICARE Prime and TRICARE Plus members receive certain preferential services and conveniences. Non-Prime members receive care on a space-available basis. Call 1-800-406-2832.

SERVING YOU

Air Force Aid Society

Administered by the Family Support Center, this official emergency assistance organization for the Air Force supplements the relief work of the American Red Cross and other agencies. It provides financial assistance in the form of non-interest loans or grants in the case of financial emergencies. Call 676-4257.

American Red Cross

The American Red Cross is available to the military members and their families to verify emergency illnesses or deaths, other emergencies for emergency leave purposes, and health and welfare messages. Call 676-1855. After duty hours call the Red Cross for emergency messages

only at 1-877-272-7337. Office hours are 7:30 a.m. to 4:30 p.m. weekdays.

Base Exchange Class Six Store

The Class Six store offers a wide variety of liquors, cordials, beers, wines, snacks and soft drinks.

Food Facilities

The Army, Air Force and Exchange Service has numerous snack bars and automated food facilities throughout the base. The exchange also operates base-wide Running Chef mobile snack trucks.

Main Exchange Complex

The main exchange complex features a snack bar, beauty shop,

laundry-dry cleaning-alterations service, optical shop, portrait studio, barber and flower shops. The Four Seasons Store, which sells lawn and garden accessories, becomes Toyland during the holiday season.

Military Clothing Sales

The military clothing sales store provides a full range of issue and commercial uniform items for servicemembers. An alterations shop is also available.

Mini Mall

An indoor shopping mall, located in the heart of the dormitory area, provides a small exchange store, laundry, dry-cleaning, Robin Hood sandwich shop, an Anthony's pizza shop, a

Taco Bell and a video rental. The mini mall also includes a video game-room and pool tables. MCC Communications has computers and phones for all your communication needs, as well as a full service wrapping, shipping and mailing service for all your postal needs.

Service Station

The Exchange Autopride/Shopette offers car care service, parts and accessories, convenience items and video rental. The gas station at the hospital gate also sells a small selection of items.

Base Clubs

Enlisted Club

The enlisted club offers a variety of activities, including two lounge operations and a game room. A variety

of regular entertainment programs are featured each week, such as karaoke and pool tournaments. There is a sports bar with a satellite dish for seasonal sports programs. The club also has a barber shop open weekdays with discounts for club members.

Membership is open to all active-duty and retired enlisted military members, and to civilians of equivalent grades. Several meeting rooms are available for private bookings. Call 676-2083/6460.

Officers Club

The officers club offers a variety of activities for the entire family. Activities include Sunday brunch, daily lunch buffet, dinner, two lounges and facilities for catered functions. All dining and catered functions activities are open to base civilians, officers and enlisted members of all ranks.

Membership and lounge operations are open to all officers and civilian equivalent grades.

The club also operates The Red River Cafe located in the Student Center. This facility is open to all ranks during lunch and dinner offering subs, pizza and ice cream. Call 676-2029/2710. The club offers catering and party rooms for private functions. Call 676-6460 or 855-5150 or FAX: 676-4430.

Commissary

Sheppard's Commissary benefit is delivered from an 81,000 square foot facility carrying over 20,000 line items. Services include a full service bakery and deli as well as traditional meat, produce and grocery departments. The Commissary offers the freshest product with deliveries

received 6 days per week. The 14 checkouts serve some 1,600 shoppers daily. The commissary is open Tuesday through Sunday. Operated by the Defense Commissary Agency (DeCA) the average commissary savings amount to over 30% compared to civilian supermarkets. Call 676-2750 or check out the DeCA website at <http://www.commissaries.com> for more information.

Personnel Flight

The Customer Service Center is the central focal point for all military and civilian actions. It is designed to serve as the initial contact point for all desiring personnel service who don't have an appointment.

The staff responds to telephone, written and personal queries concerning any aspect of the personnel flight program. Information and referral is provided on subjects such as humanitarian reassignment, deferment, permissive reassignment, early release programs, base-of-preference, retraining, on-the-job training, special assignment applications, weighted airman promotion system, classification, voting, promotions, labor/employee relations, staffing issues, survivor benefits and retirement information.

The center's staff also updates and maintains the DoD Form 93, Emergency Data Card, and Defense Enrollment Eligibility Reporting Systems Identification Data card applications.

Dining Facilities

A civilian contractor operates Sheppard's six military dining facilities. Call 676-2080.

Education Services

The Education Services Center is the gateway to many educational opportunities. Its services program provides access to both on base and on-campus curricula. This includes: Midwestern State University and its on-base master's and bachelor's degree programs on base and full curriculum on their local campus and

the Vernon College on-base associate degrees and general education course offerings as well as an array of vocational offerings at their Wichita Falls locations. Wayland Baptist University offers on-base bachelor's and master's degree programs and the University of North Texas present on-base masters learning skills curriculum at their Wichita Falls locations.

Education Services administer financial aid programs in support of each of the above programs. Air Force tuition assistance and GI Bill in-service educational benefits are available to eligible active-duty members. Basic Educational Opportunity (PELL) grants are available for eligible military members and civilians.

Professional counselors offer guidance in the use of the Community College of the Air Force, Air Force Institute of Advanced Distance Learning (formerly ECI), Air Force Extension Course Institute, Air War College, Air Command and Staff College and DANTES college-credit-by-

examination program in support of career advancement. All incoming permanent-party members should visit the education service office as a part of in-processing.

Professional Military Education

Sheppard's Professional Military Education Center staff trains all selected senior airmen. Leadership, management and supervisory skills are the focus of the course.

First Term Airmen Center (FTAC)

All first term/first duty station airmen are entered into a structured 10-duty day program designed to transition them from a training to a mission-oriented environment, at the same time, reinforcing military lessons learned and experienced in basic military training (BMT) and technical school. Their transition is accomplished through a series of

ancillary training and familiarization tours of the base and local community. For more information please call 676-7717.

Financial Services

Financial Management and Comptrollers and Customer Service (Pay and Travel) is available to both military and civilian employees assigned to Sheppard. Customer Service (Pay) is available to transient military personnel of all branches of service. For prompt service, have current identification cards and copies of orders. Service is also available to retired Air Force members. The financial service office will process all new arrivals as part of their initial processing appointment.

Personal Financial Management Program

The Personal Financial Management Program is designed to help Air Force people. The program helps through education, information, and

counseling. It's managed by the Family Support Center at 676-4358. Visit the website at: <http://www.spd.aetc.af.mil/82sptg/82mss/fsc.htm>.

Sheppard Bank

The Sheppard Bank provides convenient savings and checking account services. It offers complete financial services, including drive-through banking and an automated teller machine.

Union Square Credit Union

The main office of the Union Square Federal Credit Union is at 1401 Holliday in Wichita Falls. An on-base branch offers complete financial services. Membership is open to all military and civilian employees.

Legal Assistance

The legal office provides free legal assistance to active-duty and retired members and their families.

Appointments are available weekdays. Notary service and powers of attorney are provided free and without appointment anytime from 9 a.m. to 4 p.m. weekdays. Call 676-4262/6760.

Claims

The Air Force Claims Office is available to assist in the event of loss or damage to personal belongings. Call 676-7200/2449.

Area Defense Counsel

The Air Force Judiciary's Area Defense Counsel Office provides legal representation to military members who are subjects of courts-martial, Articles 15, discharge or investigative actions. Call 676-2186.

People Programs

Sheppard has a number of special programs designed to help with problems, evaluate ideas to improve mission accomplishment or to save resources. The programs include, but are not limited to:

Action Line - 676-2000 (recorder)
 Crime Stop - 676-4211
 Energy Hotline - 676-5668 (recorder)
 Fraud, Waste and Abuse -

 Suggestions - 676-IDEA

Action Line

Action Line is administered by the Public Affairs office and can be used to bring matters of concern to the attention of the installation commander. The action line can be used to question policies, procedures, operations and facilities' topics, if the information is not otherwise available. It can also be used to compliment a job well done or to air a complaint.

Crime Stop

Anyone witnessing a crime or hearing of any unusual or suspicious activities, should call Security Forces at 676-4211.

Energy Conservation

The base has an aggressive, proactive energy conservation program, administered by the 82nd Civil Engineer Squadron. All are encouraged to use the 24-hour energy hotline at 676-5668 as a forum to make energy savings suggestions or to report energy waste.

Straight-Talk (Rumor Control)

Straight-Talk, administered by the Public Affairs office, provides base people with a single point of contact to dispel rumors, to gather the facts and to provide answers to rumors that could adversely affect morale.

It also provides an authoritative point of contact for accurate information about the status of any on-base disturbance and the command's actions.

Straight-Talk is not an information service for answering questions obtainable from the office of primary responsibility. Call 676-4438.

Personal Affairs

The Personal Affairs office is ready to assist Air Force members and their families with information and counseling on matters affecting their personal welfare. The staff will answer inquiries about insurance, uniform wear, veteran benefits, casualty assistance or death benefits. Call 676-2984.

Postal Service

The base Postal Service Center provides mail service to eligible military members. It receives delivery of all classes of mail addressed to those residing in the dormitories.

Hours of operation are 8 a.m. to 5:30 p.m., weekdays and 8 a.m. to noon Saturday. Satellite postal service centers are in many of the dormitories.

The U.S. Post Office hours of operation are from 8:30 a.m. to 6 p.m., weekdays and 8 a.m. to noon Saturday.

Public Affairs Office

Keeping the Sheppard community informed of happenings on base and throughout the Air Force is the primary mission of the 82nd Training Wing Public Affairs Office.

The internal information staff prepares the base newspaper, *The Sheppard Senator*, for publication each week. It also produces the base map, fact sheets about the base and its units, and creates monthly commander's call topics.

The media relations staff distributes news releases to local, state, and national news media, as well as responds to requests for information or interviews about base people, events and happenings.

The community relations staff coordinates off-base appearances of the special activities teams, secures speakers for civilian organizations and, with the assistance of base volunteers, conducts base tours.

The community relations staff is also the base focal point for the Squadron Adoption Program, one of the most outstanding community relations programs in the DoD. The program is now in its fifth decade.

Safety

Safety and protection of resources are top priorities at Sheppard. The 82nd TRW commander has dedicated the safety staff to everyone at

Sheppard to achieve a mishap-free stay. Wing Safety staff members are available from 7 a.m. to 4:45 p.m. each duty day to assist with every ground/explosives safety issue.

The staff promotes safety through education and publicity. It employs the base newspaper, Website <https://webi.Sheppard.af.mil/82trwsafety/default.htm>, Accident Prevention Bulletins, and the Sheppard Safety Spotlight newsletter to keep

Team Sheppard members safe and informed. New arrivals must attend the Traffic Safety Course II, Local Conditions. It's approximately 45 minutes and outlines unique safety situations at Sheppard and the surrounding area. The course is mandatory for permanent party, TDY military and DoD civilian personnel (if here 30 days or more) and new DoD civilian personnel employed at Sheppard AFB. Family members are also welcomed with their sponsors.

If you operate a motorcycle, or plan to while here, you must come to the safety office prior to registering and operating it. Depending on your previous training, you may be required to attend a Motorcycle Safety Foundation certified course.

N & N Travel Ticket Office

The travel office is a full-service travel company, offering assistance with all government travel.

Military Equal Opportunity

Military Equal Opportunity is the focal point for the installation Equal Opportunity and Human Relations Education programs. The mission is to provide quality, professional service to enhance equal opportunity in the military community. The MEO assists commanders with problems that may adversely affect members' behavior, health, duty performance or the mission. Call 676-2360.

Thrift Shop

The Thrift Shop accepts almost anything for sale on consignment, except guns or flammables.

A 15-percent commission fee is charged, in addition to Texas and local sales taxes. Items for sale can be placed with the Thrift Shop for up to three months.

All proceeds from sales go into scholarship funds for the enlisted and officers spouses clubs. Members operate the shop. Volunteers are always needed.

Information

Base Newspaper, The Sheppard Senator

The Sheppard Senator is published each Friday by contract between Sheppard AFB and a civilian publisher. The paper is dedicated to the memory of the late Senator Morris Sheppard for whom the base is named. It provides current information on base, Air Education and Training Command and Air Force programs, policies and activities. Sections are devoted to news, features, family, entertainment, and sports and youth activities.

Cable Television Service

Commercial cable television service is available in base housing areas, private rooms in the permanent-party dormitories and in the student squadron day rooms. The Sheppard commander's access channel, cable channel 14, is available on base and in base housing areas. The CAC provides the latest information of interest to base workers and residents.

Sheppard Locator Service

The base locator service is operated by the 82nd Support Group. Call 676-1841.

Base Bulletin

The base bulletin is published each Wednesday by the 82nd Communications Squadron. It's distributed via e-mail. Call 676-5142.

Telephone Tips

Official phones on base have a "676" prefix. When calling from off base, dial 676, then the desired four-digit number. When dialing on base, dial only 6 plus the four-digit extension.

The 851 and 855 prefixes serve the housing areas and a small number of unofficial phones on base. From off base, the Sheppard information operator is at 676-2511. The on-base information number is 113. To dial off base from an on-base phone, dial 99 plus the desired local number. To make a call on the Defense Switched Network, dial 94 plus the seven-digit DSN number. Sheppard's DSN prefix is "736."

Transportation

On base transportation for official use is available through the base taxi system. Call 676-1843. Air Force buses operate daily over base routes from 5 a.m. to 6:30 p.m., weekdays except holidays.

City buses provide transportation to Wichita Falls. The buses run Monday through Saturday. A list of stops is available at billeting. Call 676-1844.

Traffic Management Office

The passenger service section provides all travel services necessary for official travel of military members and their families. Customer service hours are 8:30 a.m. to 4:30 p.m. weekdays. Call 676-6362.

The personal property section handles the shipment of household goods, unaccompanied baggage and mobile homes into and out of the

Sheppard area. Customer service hours are the same as for passenger services. Call 676-5499.

The Student, Traffic Management Office handles the shipment of unaccompanied baggage for pipeline students. Customer service hours are 9 a.m. to 5 p.m. weekdays. Call 676-6180.

Recycling Program

Each base facility and family housing unit has a pick-up each week. Other recyclable materials, including bond and computer paper, aluminum cans, plastics and glass, can be dropped off 24 hours a day in bins on Motor Pool Road.

Arrangements may be made by phone for pick-up of large amounts of paper and scrap metal. Call 676-5700.

Base Self-Help Store

The base Self-Help Store is your one-stop shop for all improvement

projects. The store is open from 9 a.m. to 4:30 p.m., Monday, Tuesday, Thursday and Friday. It is closed on Wednesdays and weekends. A planner can help with projects to ensure correct materials are ordered. The Self-Help Store has brochures, tapes and mock-ups. If a large quantity of items is needed, they are often purchased off base. The store also maintains a wide variety of items for military family housing occupants. Seasonal items such as mulch, grass seed, and landscape timbers are available. Housing occupants are authorized loaner tools, such as hedge trimmers, edgers and extension cords. Home improvement and maintenance items such as towel bars, curtain rods, and air conditioning filters are also available. The store is also your first stop controlling household pests such as insects and rodents. Call 676-7755.

BECOMING INVOLVED

Becoming involved is more than attending a friendly meeting or a casual afternoon outing.

Traditionally, Sheppard's people are active, concerned citizens who concentrate on creating a better base and a better community.

There is a group for nearly every interest. From professional organizations, to sports, to youth activities, the time invested can be fun and rewarding.

Air Force Association

The Air Force Association is an independent, nonprofit, aerospace organization, serving military members and civilians with an interest in

furthering the ideals of the U.S. Air Force. It was established and incorporated in 1946. Call 723-2741.

Civil Air Patrol

The Civil Air Patrol is the official auxiliary of the U.S. Air Force. It is open to any U.S. citizen. The cadet program is open to youth who have completed the sixth grade, and are 12 to 18 years of age.

The mission of the CAP is air search and rescue, emergency services, aerospace education, and the cadet program. Rio del Fierro composite squadron meets at the CAP office each Thursday at 7 p.m. Call 676-2260.

Company Grade Officer Council

The Sheppard Company Grade Officer Council is an active, growing organization of lieutenants and captains from throughout the base. The CGOC promotes career enhancement and development, Reserve Officer Training Corps field training assistance, trips to the Air Force Military Personnel Center at Randolph AFB and many civic events and activities.

Daedalians

The Order of the Daedalians is a nonprofit organization promoting safety in flight and encouraging educational, scientific and charitable

pursuits that advance the order's objectives.

Membership is open to all active-duty and retired military pilots of heavier-than-air craft. The local chapter meets monthly at the Officers Club.

Enlisted Spouses Club

Spouses of enlisted members are invited to join and participate in the activities of the club. Widows of deceased members and female enlisted members assigned to Sheppard are also invited to join. Club activities include business meetings, workshops, luncheons and welcome coffees.

Officers Spouses Club

The Sheppard Officers Spouses Club sponsors social, cultural, recreational, educational, and welfare

projects. Membership is classified as active, associate or honorary. Guest privileges are extended to wives who accompany their husbands TDY to Sheppard for three months or longer and who are members of a wives club at another base.

The club has a social function (luncheon, brunch or coffee) each month at the Officers Club unless otherwise noted in the club's newsletter.

Private And Professional Organizations

Sheppard hosts a variety of private and professional organizations. These include the Professional Military Education Graduates Association, Noncommissioned Officers Association, Air Force Sergeants Association and Toastmasters. Call 676-4812.

Red Cross Blood Drives

The American Red Cross conducts blood drives the second and fourth Thursday of every month from 1 to 5 p.m.

Religious Activities

There are three chapels and a religious education facility on base. It's staffed by a dedicated group of chaplain service specialists, program coordinators and laity.

The chapel program includes a variety of Catholic and Protestant worship opportunities. A preschool through adult religious education program includes several adult classes, a specialized student airman ministry featuring weekend retreat opportunities, and active youth groups.

Churches of every major faith group can be found in the local communities. For more information on

Orthodox, Jewish and Muslim worship services and activities, call at 676-2111 or 676-4370.

Chaplains are available after duty hours for emergencies through the command post. Call 676-1859.

Volunteer Opportunities

There are many worthwhile organizations on base and in the local area. Sheppard people are encouraged to volunteer their time and talents.

Information about on-base opportunities can be obtained from the volunteer resource center. The service is managed by the Family Support Center. Call 676-4358 or 676-4257.

Scouting Opportunities

Active Boy Scouts organizations include Cub Scout Pack 232 and Boy Scout Troop 232. Troop 232 meets at 6:30 p.m. Mondays.

Girl Scout units include one Daisy troop, four Brownie troops, three Junior troops and one Cadet troop.

Call the NorCenTex Girl Scout Council at 723-4336, or the Northwest Texas Council, Boy Scouts of America, at 696-2735.

Camp Fire Council

The Camp Fire Council of North Texas serves students in kindergarten through sixth grade. Children in kindergarten through second grade are in the Starflight Program, while third through sixth graders are in the Adventure Program. Call 322-5209.

AT YOUR LEISURE

At Your Leisure

When the duty day is done and it's time to relax, you can bowl, play golf, ride a horse, swim laps, or maybe see a movie.

These and more are available on base. There are dozens of other opportunities to relax and have fun in the local area as well.

Skills Development Center

The Skills Development Center offers a program in ceramic operations provided by contractors. There are many green-ware items and a full line

of paints, glazes and supplies. Instruction and project storage is free. The Ceramic Shop also offers project packing and shipment for all users. Call 855-0118. For new Skills Development programming, call 676-4810.

Auto Skills Development Center

The auto skills development center has 14 stalls with lubrication racks, a welding shop and computerized tune-up equipment. Qualified mechanics are on duty to advise patrons. Tools and all types of equipment, including computerized engine

analyzer and alignment machines are available. Call 676-4110.

Athletic Fields

Sheppard has three lighted softball fields, a lighted football/soccer field and lighted professional running track. The fields are used for intramural and varsity outdoor sporting events, the annual Special Olympics and holiday special events. All fields can be reserved for squadron activities. Call 676-2022.

Bowling

The base has two bowling centers for league and individual play, with 16

lanes each. Both centers have computerized automatic scoring, bumper bowling for children and amusement machines. Each facility has a snack bar. The south lanes has a full pro shop while the north lanes offers convenience items. Call 676-2170.

Main Gymnasium

This facility seats approximately 1,000 spectators. This is one of three facilities used for indoor intramural and varsity-level sports and special events. The staff administers indoor and outdoor intramural and varsity programs. It houses an indoor basketball/volleyball court and three racquetball courts, exercise rooms, men's and women's sauna and locker rooms, a lighted outdoor running track, lighted football, soccer, and three softball fields and 10 tennis courts. Call 676-2022.

North Fitness Center

This facility seats approximately 800 spectators and is also used for

indoor intramural and varsity sports programs. It houses a basketball/volleyball court, six racquetball courts (two of which are also used for wallball), exercise rooms, and men's and women's sauna and locker rooms. The over-30 basketball league is also held here. Call 676-4808.

South Fitness Center

The third and newest fitness center has a spectator seating capacity of 200. Indoor intramural and varsity sports are also conducted. The center offers two personal fitness trainers and the very popular LifeCircuit Interactive Strength System. The AerobiCenter offers many classes each week including water aerobics in summer, a child's play room with exercise bikes for parents use, an air conditioned basketball/volleyball courts, four racquetball courts (two with glass wall viewing), attractive exercise rooms, and sauna and locker rooms. The intramural volleyball league is conducted primarily here. Call 676-2972.

AerobiCenter

The AerobiCenter offers over 39 classes weekdays with five classes on Saturday and Sunday. All classes are co-ed. Certified aerobic instructors teach all classes. Call 676-7941.

Fishing and Hunting

Texas wildlife is abundant and mostly on private land. Permission to hunt must be obtained from the landowners.

Texas hunting and fishing licenses are required for both residents and nonresidents between 17 and 65. Licenses are available at the outdoor recreation building and the Lake Texoma annex.

For more information, write the Texas Parks & Wildlife Department, 4200 Smith School Road, Austin TX, 78744. Call toll-free in Texas 1-800-792-1112.

The Services Division's Outdoor Recreation section has maps and information on all the local fishing areas. Call 676-4141.

Wind Creek Golf Course

Sheppard has one of the most challenging golf courses in Northern Texas. The course is more than 7,000 yards from the back tees. Fairways and rough are Bermuda grass, while the greens are Champion Bermuda grass. The course offers a well-stocked golf pro shop, a 24-hour-a-day driving range, many golf tournaments, the Out of Bounds Cafe, a practice hill and two putting greens. It's open to all authorized personnel and their guests. Daily or advance green fees may be purchased. Call 676-2381.

Lake Texoma Annex

The Lake Texoma Annex is open year round. It's located approximately 120 miles east of Sheppard and 15 miles north of Whitesboro, Texas, making it ideal for the "get back to nature" getaway.

The annex provides a wide choice of activities to add to your leisure experience while at Texoma. These include, camping, boating, fishing, picnicking, walking/hiking trails, tennis, softball and a driving range.

The lodge, being the hub of Texoma Annex, offers an area of comfort and relaxation. There's a well-supplied convenience store, large screen television, video games, pool table, fitness center, coin-operated laundry, rental movies and games.

Rental boats and the all-season crappie-fishing house are available to patrons. For those who just want to tent, there are beautiful spaces. Call (903) 523-4613, or write for brochures at: Sheppard AFB Annex, 1030 SAFB Road, Whitesboro TX, 76273.

Library

The base library system offers full service for the community. The trained staff includes two professional librarians. Call 676-6152.

Outdoor Recreation

Outdoor recreation center typical tours include hiking, canoeing,

fishing, camping and snow skiing. Rental items available include boats, canoes, tents, fishing rods/reels, coolers, lanterns, recreational equipment, barbecue grills, chairs, tables, carpet cleaning equipment, camping trailers and more. A small daily fee is charged.

Outdoor recreation also provides RV parking storage for \$10 per month. Call 676-4141.

Picnic Areas

The south picnic area is between Chapel 2 and the golf course. It includes two covered pavilions, each with barbecue pits. Picnic tables and a children's playground are also available. The area will accommodate up to 700 people.

The hospital picnic area provides picnic tables, pavilions, children's playground equipment, a parking area and a one-mile par course outdoor fitness trail which offers 18 fitness stations. Call 676-4141.

Private Organizations

The squadron booster organizations, Longhorn Gun Club and the officers and enlisted spouses clubs are just a few of the many private organizations on base for special interests. Call 676-4822.

Community Center

The Community Center provides recreational services that develop esprit de corps, promote family well-being and enhance mental and physical fitness. It provides a variety of core activities and services such as holiday, seasonal and thematic base-wide special events, performing arts, entertainment and other cultural programs. Meeting areas in support of commander's calls, squadron functions and instructional and self-improvement classes are also available.

The center houses a variety of activities in eight rooms. The second floor consists of a game room (composed of nine billiards tables and 17

amusement machines) and a ping-pong room. The ground floor encompasses a ballroom for special events and functions (371-person capacity), a multi-purpose room and conference room (both open for workshops, seminars and conferences). The CyberZone area includes the CyberNet Cafe (refreshments) and seven CyberNet computer stations.

The Community Center offers a variety of programs including talent shows, travel fairs, Oktoberfest celebrations, Tops In Blue performances, Freedom Fest entertainment and much more. Spectators and volunteers are welcome. Call 676-3866.

Student Center

The Student Center houses a ballroom with pool tables, video games, air-hockey, football challenge and jukebox. It features and hosts Friday and Saturday night BDU dances with state-of-the-art sound and lighting.

The CyberZone has four CyberNet computer stations where patrons can use the latest in computer technology. The poolroom has five pool tables, video games and a jukebox. The ballroom has tables and chairs for studying or watching the big-screen television, a large dance floor, DJs on selected nights, game machines, a stage area for live bands and pool tables.

The Sports Pub has 10 televisions for pub viewing, a glow-in-the-dark pool table and DJs on selected nights for the greatest in hit music entertainment.

For student convenience, there are ATM machines located in the Student Center.

The Red River Cafe offers refreshments, a jukebox, and three cyberzone computers. There are drinks, pizza, subs, hand-dipped ice cream, snacks and more for the public.

The Student Center also offers a shoe shine operation, video nights, pool tournaments, and various other monthly programs. Call 676-2491.

Skeet and Trap Range

This activity includes ranges used for shooting skeet or trap year round.

All active-duty, retired military, and civilian employees can use the facilities. Call 676-4141.

Sports Programs

Sheppard's athletic program offers a wide variety of sports.

The intramural sports program provides competition in golf, bowling, basketball, volleyball, softball and flag football. The sports program also includes varsity-level sports in soccer, men's and women's basketball and men's softball. For runners, Sheppard has a professional rubber surface track that is lighted for night use.

Swimming Pools

Sheppard has three swimming pools and a water park. The water park is adjacent to the Enlisted Club; the Capehart pool is behind the Capehart housing area; and, the main pool complex is adjacent to the main gymnasium. The pools are usually open from Memorial Day through Labor Day. Call 676-4141.

Tennis

For tennis lovers, Sheppard offers 10 lighted courts with adjoining

multi-purpose courts for outdoor basketball. Players control the court lights. Call 676-2022.

Theater

A 1,000 seat theater and offers top-rated films Thursday - Sunday. Its schedule is published each week in the base newspaper. Special meetings, such as commander's calls, are also held here. Call 676-2745.

Information, Tickets and Tours Office

Located on the second floor of the Community Center, this office offers a wide range of travel services to include leisure travel airline reservations, vacation packages, hotel reservations, car rentals, cruises, etc. In addition, the ITT offers numerous attraction tickets at discounted prices including Six Flags, Hurricane Harbor, Sea World, Disney World, and many others.

ITT also offers a balloon and gift shop, as well as a small operation inside the Student Center. Call 676-2302.

LOCAL AREA

Wichita Falls

The city got its name from a Wichita Indian encampment near a small waterfall along the Wichita River. Wichita Falls' history can be traced back to the 1860s when the vast, grass-rich prairies and ample water supply drew settlers to the area. Early city fathers brought the railroad to town and began building man-made lakes to increase the usable water supply. The growth of agriculture, as well as the city's location as a railroad hub, contributed to the community's early growth and status as the area's commercial center.

By 1918, the oil boom was upon the area and thousands poured into the city seeking wealth and fame from the oil-rich lands. Within 10 years, the population grew from 8,500 to 40,000. A wide variety of

business and industry developed on the periphery of the oil industry. This laid the foundation for the city's diverse economy. In the 1940s, Sheppard AFB was established and quickly became a significant part of Wichita Falls' economy and culture.

The Waterfall

The original waterfall on the Wichita River was washed away in a disastrous flood in 1886. In 1987, the dream to replace the city's namesake became a reality when the falls were returned to the city.

In 1986, the people of Wichita Falls decided the city needed a waterfall and raised half the cost from private donations. Today's falls are adjacent to Interstate 44, just south of the Texas Tourist Bureau. The completed 54-foot waterfall is a multi-tiered

cascade on the south bank of the river and is the centerpiece of a trail system that winds through nearby Lucy Park and along the banks of the Wichita River. There is a footbridge at the base of the falls, railed observation areas and paths to the top of the falls.

Location and Climate

The city, at 946 feet above sea level, is 52.6 square miles and is located in the cross-timbers section of the North Central Plains of Texas. Wichita Falls is 15 miles south of the Red River/Oklahoma border and is equal distance from Dallas, and Oklahoma City, approximately 125 miles. Wichita Falls' transportation system includes I-44, U.S. 287 and U.S. 277, rail service and municipal airport serviced by two commercial airlines.

The climate of Wichita Falls is classified as continental. The city has a mean number of 153 clear days per year, 93 partly cloudy days, and 119 cloudy days. Temperatures reach a daily high of 90 degrees or above on 105 days per year. While temperatures fall to a low of 32 degrees or below on 67 days per year. Sub-zero temperatures occur only about once every five years. Normal high temperature is measured at 75.2 degrees while the normal low is 50.8 degrees. Normal winds are southerly at 11.3 mph.

Rainfall averages 28.9 inches, more than 75 percent of the annual moisture occurs from late March to mid-November, but dry periods of three to four weeks can be expected during this time almost every year.

Housing

During 2000, more than 1,230 homes were sold at an average \$80,517. Home buyers found an average of 703 available units for sale at any given time. There are more than 180 subdivisions with homes in many styles from zero-lot-lines to sprawling country estates. More than 54 apartment complexes offer renters the latest in amenities and services. For senior citizens, there are 17 facilities offering a full range of care from assisted living to convalescent care and full-service retirement communities.

Religious Community

Wichita Falls has a large spiritual community with churches from most religious affiliations. In addition, religious organizations near Midwestern State University's campus provide fellowships and participate in a variety of community activities both on and off campus.

Shopping

Wichita Falls serves northern Texas and southern Oklahoma as a major regional trade center. There are 17 major shopping centers in Wichita Falls, including a three-anchor,

90-merchant mall. Specialty retailers such as antique dealers, southwestern apparel and jewelry, and arts and craft malls provide shoppers with many choices.

Transportation

The city provides bus services to and from several downtown locations and Sheppard, Monday through Saturday.

Express bus service is also available to all major shopping and recreational centers in the city. This service runs from 6 a.m. to 8 p.m. Monday through Thursday and from 6 a.m. to 11 p.m. Fridays. Saturday hours of operation are 10 a.m. to midnight. Sunday express service starts at 12:15 p.m. and runs through 9 p.m. Call 761-7433.

Sports and Recreation

Wichita Falls operates two public tennis centers with a total of 21 lighted courts, located in Hamilton and Weeks parks. The city boasts more than 40 parks.

Lucy Park, a 167-acre wooded public park bordered by the Wichita River, features two large picnic pavilions, a log cabin and picnic tables. There are three playgrounds, an 18-hole disc golf course, a duck pond, a swinging bridge, a Japanese pagoda, turf and

flora exhibits and a canoe ramp. Trails lead from Lucy Park along the Wichita River to the waterfall.

Other Sporting Events

Professional sports fans have the Dallas Cowboys (football), Texas Rangers (baseball) and Dallas Mavericks (basketball) teams just 140 miles to the southeast. The 82nd Services Squadron's Outdoor Recreation office offers individual tickets and group tours to most home games.

Lake Arrowhead State Park

Lake Arrowhead State Park is 10 miles southeast of Wichita Falls and offers more than 500 acres of parkland on the banks. Visitors can swim, water ski, fish, picnic or camp. The lake provides an interesting sight, with large oil derricks protruding from the water. A year-round concession offers bait, fishing tackle and provisions.

Places To Go And Things To Do

There are many opportunities for fun, relaxation and entertainment in the area. Activities include rodeos, the symphony, picnics and concerts

in the park, tours of the Kell House and visits to the museum. For the thespian, the Backdoor Theater offers an opportunity to enjoy quality community theater.

Wichita Falls Museum And Art Center

Art, science and history exhibits change monthly. Weekend planetarium shows begin at 1:30 p.m. Saturdays and 3:30 p.m. Sundays. An auditorium serves as a classroom for numerous art classes and offers movies and space for other special events.

Wichita Falls Memorial Auditorium

The Wichita Falls Memorial Auditorium is located downtown, has a seating capacity of more than 2,700, and is the setting for more than 80 events each year. Performances range from the Symphony Orchestra to the Ballet Theater to top-name country artists in concert.

The Kell House

The Kell House was built in 1909 by Frank Kell, one of the city's founders, and is recognized as a Texas Historical Landmark. It also is on the National Register of Historic Places. It has been carefully preserved with original furnishings.

It is open for public tours Sundays and Tuesdays through Fridays; special group tours can be arranged for other times. The house is located at 900 Bluff Ave. Call 723-0623.

The Littlest Skyscraper

This unique structure holds the distinction of being the smallest "skyscraper" in the world, standing four stories tall. It has no doors or windows, bears a street address that no longer exists and overlooks an alley.

Local legend favors the theory that the building was a boondoggle, the cornerstone of a \$200,000 stock swindle during the early days of the Texas oil boom in nearby Burkburnett. It is at the corner of LaSalle Alley and 7th Street.

The Little Adobe

The Little Adobe is the original Wichita Falls Municipal Airport terminal building. It's designated as Bldg. 2130. The terminal was constructed in 1928 and was dedicated as a Texas Historical Landmark in November 1981. In December 1991, it became a city landmark. Today, the building houses the 82nd Training Wing History Office.

The Plex Entertainment Center

The Plex Entertainment Center on Southwest Parkway features two world class eighteen hole miniature golf courses, Indy style go-karts, bumper boats, batting cages, a video and redemption arcade, a separate kiddie area with games and rides, and coming in mid March a laser tag arena. The complex also has a pizza/burger restaurant and private party rooms. 696-1222.

Special Events

Many special events take place in Wichita Falls each year. To name only a few:

Red River Rodeo and Parade

This event is held each June at the Wichita County Mounted Patrol Arena. It includes sports professional circuit rodeo with traditional attractions, including an old-fashioned parade.

Texas Ranch Roundup

August brings top cowboys from the largest and best ranches to engage in a tradition spot-lighting Texas ranch life to its fullest. A ranch cooking contest and craft show is also part of this spectacular event.

Hotter'N Hell Hundred Bicycle Ride And USCF Road Race

This August event is the largest sanctioned bicycle ride in the nation. It brings cyclists of all ages and abilities from around the world to

participate in this three-day event which includes an outdoor festival and trade show.

Falls Fest

September includes a citywide festival held in Lucy Park. Entertainment includes concerts, special events, games, food and drinks and a craft show.

Christmas Magic

Each November features a festive arts and craft show sponsored by the Junior League.

Fantasy Of Lights

This spectacular exhibit at Midwestern State University delights around 250,000 spectators in December.

Burkburnett

A town lot sale conducted by J.A. Kemp and Frank Kell in 1907 marked the official beginning of Burkburnett. Later it became world-famous for its gigantic oil boom. Oil flowed for the first time on July 1, 1912.

The beginning of one of the greatest oil booms in American history actually began July 29, 1918. The oil-crazed days were dramatized in story and song, and Burkburnett later became the subject of a Clark Gable-Spencer Tracy movie, "Boomtown."

In every aspect, Burkburnett is a progressive community. It looks to

the future as well as to its historic and colorful past. The community continues to be known as "Boomtown, U.S.A., Gateway to Texas."

Three neighborhood parks are centrally located, and River Creek Municipal Park is five miles southeast of town on Farm to Market Road. It has one of the finest 18-hole golf courses in the area. The riding enthusiast will find an excellent arena on Kelly Street.

The city and school system operates in maintaining four-lighted multipurpose recreation fields and eight lighted tennis courts. An all-weather track annually hosts high school competitors and is regularly used by private groups and exercisers. The municipal pool is open from June to August.

Trails And Tales Of Boomtown

Trails and Tales of Boomtown, USA, is sponsored by the Burkburnett Chamber of Commerce from April to October, and features a 1-1/2 hour narrated bus tour of this historic town. Groups of eight or more should call ahead for reservations. Private tours for 30 or more are also available. The bus leaves from the chamber office at 412 Avenue C. Call 569-3304.

Iowa Park

Iowa Park is centrally located in Wichita County. Because of the county's excellent highway system,

Iowa Park is a quick drive Sheppard AFB and Wichita Falls.

Iowa Park celebrated its centennial in 1988. Having been founded by settlers from Iowa, the community has 12 parks, as its name implies.

Gordon Lake, dominating Oscar Park, is readily visible from U.S. Highway 287 when entering town. Two additional city-owned lakes to the west provide boating, fishing and hunting opportunities.

The community is home to a number of churches, businesses and an exceptional school system. Iowa Park is a family-oriented community with a relaxed atmosphere for family living.

Education

Midwestern State University

Midwestern is an accredited university. Nearly 6,000 students take advantage of the academic excellence each semester at MSU. Midwestern offers students sound educational preparation for future careers by offering 39 undergraduate and 21 graduate degree programs, such as business administration, fine arts, education and engineering.

The 170-acre campus includes a science center, physical education facility, fine arts center, and one of the most attractive campuses in the state. A member of the National Association of Inter-collegiate Athletes, Midwestern competes in a wide range of sports, including basketball, football, golf, soccer, tennis, track and volleyball.

Vernon College

Vernon College is a community college where the focus is on extending educational opportunities to the widest range of students. The Wichita Falls campus provides programs in occupational and continuing education and courses for entry level employment and upgrading/retraining.

A new job-skills training center has been established with programs in welding, machining, electronics, and computer-assisted drafting. Classes in other technical skills

include blueprint reading, safety and communications.

Public Schools

The local area is served by four school districts: Wichita Falls, Burkburnett, Iowa Park and City View.

To enroll in Texas schools, kindergarten students must be 5 years old, and first-grade students must be 6 on or before Sept 1. Bring a birth certificate and current immunization records to register.

Wichita Falls

Independent

School District

The district's graduation rate and standardized test scores exceed both state and national averages. School/Match, a consulting firm that provides data to industry and individuals seeking to relocate, has placed Wichita Falls I.S.D. in the top 10 percent of America's schools. Several elementary and secondary campuses have been rated as "exemplary" and "recognized" by the Texas Education Agency for outstanding academic performance.

Magnet schools have been established on five elementary campuses and all secondary schools have chosen a magnet theme. Magnet schools offer unique opportunities for in-depth study in specific areas of interest which include: math, science, communications, visual and

performing arts, engineering, languages, the international baccalaureate program and a university career center. Wichita Falls I.S.D. magnet schools have achieved an outstanding record of success and national acclaim. One of the district's magnet schools was named top magnet school in the nation by The Magnet Schools of America Association.

The school district offers a wide variety of vocational and alternative educational programs meeting students' needs. Community support is evident in many areas. More than 200 large and small businesses support the schools through the Partners in Education Program and make generous donations of both time and money. New and unique programs such as distance learning labs are implemented through funding made possible by private foundations.

Wichita Falls is a recognized leader among Texas public schools for the quality and diversity of education it provides for students. The district is committed to creating educational environments that respond to students' interests, celebrate cultural diversity and foster student achievement.

Burkburnett

Burkburnett's residents have the highest quality of public and private schools available to them.

The Burkburnett public school system includes three elementary

schools, a junior high school and a senior high school.

Burkburnett schools offer advanced placement courses to qualifying students, gifted and talented programs, special education programs, computer instruction and vocational education.

Iowa Park

Iowa Park is proud of its excellent school system, which consistently scores well above state and national averages in scholastic achievement.

In addition to the normal college-preparatory and vocational courses of study, the system offers special education, and gifted and talented programs for students in need of specialized assistance. To round out the development of students, a winning tradition in music, athletics and interscholastic events pervade the system.

The Iowa Park school system includes two elementary schools, a junior high school and a high school, and provides an exceptional environment for the development of individual students.

City View

The City View independent school district offers Head-Start through 12th grade at its two modern campuses in northwest Wichita Falls. City View I.S.D. is a Texas education agency "recognized district." City View has small classes giving individual attention. The school also boasts a full program of extra-curricular sports, and outstanding fine arts and band program, and a state-of-the-art technology program. Refer to Yellow Pages for more info.

Parochial and Private Schools

The area offers many parochial and private schools. To name only a few, Baptist and Catholic schools include kindergarten through 12th grade, and Episcopal and Lutheran schools include kindergarten through 6th grade. There is a private Montessori school for kindergarten and first grade and a host of daycare centers offering preschool classes.

MUSEUM

Relive the Adventure...

**Nothing is like a family
adventure on the
Old Chisholm Trail!**

Experience it at the **Chisholm Trail Heritage Center** in Duncan, Oklahoma. You can see southwest Oklahoma's largest bronze statue, see and hear an animated likeness of Jesse Chisholm tell about his adventures, and learn about the massive longhorn migration that gave birth to America's Ranch and Cattle Industries.

This is a **re-enactment adventure** for the whole family. Just minutes on Highway 7 east of Lawton on the Chisholm Trail.

Celebrating 21 Years of Quality Service

Relocation is a part of the Military life that is unavoidable. As a member of the CENTURY 21 System, we have the tools needed to make your transferring process as simple as can be. Each of our sales associates are highly-trained in the aspects of Military Relocation, as this makes up a majority of our total sales volume. We encourage the use of www.century21.com for its comprehensive structure allowing immediate results for your home searching needs. We take pride in being one of the largest Real Estate originations in North-Central Texas and serving the Sheppard Air Force Base and Wichita Falls communities.

"Our customers deserve, and shall receive, the finest service offered by any Real Estate organization."

— Nelson E. Tubbs, Broker/Owner

A Living Medley

A diverse international community calls Burkburnett home.

You're Home Now!

A unique global village exists in the safe and sound solace of Burkburnett. Since 1941, thousands of military families from all corners of the world have called Burkburnett home. With nearly 40% of Burkburnett students coming from American and international military

families, your children will easily adjust to Burkburnett schools. Our dynamic, small-town community embraces its American and international heritage.

If you want to experience a living medley, come to Burkburnett.

Grade of Living

A+ At the Burkburnett Independent School District, our most valuable assets are your children, our teachers, and our dedicated support staff. At 17 to 1, our low student/teacher ratio means we give your students personal attention. We offer accelerated courses, career and technology education, athletics, fine arts and language studies to name a few. Plus, we know many of our students come from around the world, so our teachers are trained to assist in their transition. Education and life lessons learned at BISD contribute to 90% of our graduates continuing on to universities across the nation. If you're looking for a better grade of living for your children and your family, come to Burkburnett.

You're Home Now!

Moving to Burkburnett from far away? We've made it easy to get a head start on enrollment — just go to our website, download the forms and mail them to:

General Information

1. SPECIAL DIALING INSTRUCTIONS:

- TO PLACE ON BASE TO ON BASE CALLS: Dial the 5 digit extension number from any base phone.
- TO CALL THE WICHITA FALLS AREA FROM SHEPPARD AFB: Dial the outside code, 99, and then the seven-digit number within the local area.
- TO CALL SHEPPARD AFB FROM THE WICHITA FALLS AREA: Dial 676 plus the four-digit extension number. To call the base operator, dial 676-2511.
- TO PLACE A DSN CALL: Dial 94, then the seven-digit DSN number.

2. NETWORK CALLING PRIVILEGES

a. CLASS OF RESTRICTION (COR)

- Ring down or hotline
- On base, pagers
- On base, local; pagers, 1-800 numbers
- On base, local, pagers, DSN (routine), 1-800 numbers
- On base, local, pagers, DSN (routine), 1+, 0+long distance, 1-800 numbers

b. CLASS OF SERVICE (COS)

- Standard features, most office phones
- No features
- Data (faxes and modems)

3. OFFICIAL TOLL CALLS:

- BEFORE MAKING AN OFFICIAL LONG DISTANCE CALL**, every effort should be made to place the call via DSN. If the called party is not located at a U.S. military installation, the nearest installation can provide service via DSN. This information can be obtained from the Sheppard AFB operator by dialing 'O' from any extension.

- LONG DISTANCE:** Official long distance calls may be placed through the direct distance dialing system (DOD). No unofficial collect calls should be accepted, refer all incoming collect calls to operator.

- PLACING CALLS:** All personnel placing official long distance calls must maintain a log (AF Form 1072).

- UNOFFICIAL CALLS:** No unofficial toll calls will be placed or received on Sheppard AFB official telephones.

4. DIRECTORY SERVICE:

- INFORMATION:** Refer to the base telephone directory for the number desired. If the listing is not found, refer to telephone information, ext. "0".

- DIRECTORY SERVICE:** The published directory can be current only at the time of printing. Therefore, prompt submission of information by subscribers is essential since delayed notification to the directory clerk could result in a correction arriving too late for inclusion in an edition of the telephone directory.

- Each activity will establish internal procedures to ensure that any changes to directory listings are promptly reported to 82CS/SCMT. This includes additions of new numbers, deletions of obsolete numbers or correction of erroneous listings in the directory.

- ### 5. SAFEGUARDING TELEPHONE EQUIPMENT.
- Only authorized personnel may add, remove, or relocate communications equipment. Under no circumstance will subscribers move, alter, place attachments on, make additions to or change telephone equipment in any way. No unauthorized equipment, standard or nonstandard, will be connected to the base telephone system. The Telephone Control Officer (TCO) is responsible for the protection of telephones and associated equipment from malicious damage.

- ### 6. REPAIR SERVICE AND TROUBLE CALLS.
- Requests for repairs and reports of telephone malfunctions will be reported immediately to the operator, for Telephone Repair Service, dial "0".

- ### 7. AUTOSEVOCOM.
- AUTOSEVOCOM stands for Automatic Secure Voice Communications System. It is a long distance telephone network used for communication between commands worldwide. It provides protection for classified information. We do not have AUTOSEVOCOM at Sheppard AFB.

- ### 8. REQUEST FOR SERVICE AND EQUIPMENT.
- Requests for new or additional official telephone service or relocating existing equipment will be submitted on AF Form 3215 through the unit TCO to 82 CS/SCMT, at least 30 days in advance of the anticipated change. Telephone numbers to be moved or changed will be entered in the "requirements" block of the AF Form 3215.

- ### 9. TELEPHONE COURTESY AND REPORTING TELEPHONE COMPLAINTS.
- Telephone operators are instructed to be courteous and alert at all times; however, in case of unsatisfactory service, obtain the operator's number and report the incident to the Chief Operator by calling 6-6616. An operator is required to give their number upon request, but is not allowed to disclose their name or other related information. Telephone users must not admonish an operator or attempt to engage them in idle conversation. Violators will be reported and appropriate action taken to prevent recurrence.

10. TO GET BETTER SERVICE:

- Answer the telephone promptly, speaking directly into the transmitter.
- Give complete information when answering; e.g., "Base Operations, Sgt. Jones."
- Be prepared to take messages promptly, thereby reducing the time that trunks and equipment are in use.

- ### 11. BOMB/PERSONAL THREAT CALLS:
- Malicious, threatening, abusive, indecent, annoying, or harassing telephone calls, including those in which obscene or profane language is used, are prohibited by state and federal law. The following actions should be taken if you receive such a call:

a. NUISANCE CALLS:

- Make the caller identify himself. When a voice asks, "Who is this?" answer, "What number did you call?" or "Who do you want?"
- If the caller remains silent after you answer, or makes obscene or suggestive remarks, hang up. If the calls persist, notify the Security Police, ext. 911. Furnish as much information as possible about the call and caller.

b. BOMB THREATS OR OTHER THREATENING CALLS:

- DO NOT HANG UP!**
- Try to keep the caller on the line.
- Depress switch-hook momentarily and dial Security Police, ext. 6-1100. They determine if your caller is on base, and what base number initiated the call. If your phone is programmed for malicious call trace, you simply depress the switch-hook momentarily and dial 1283. The call will automatically be traced at the switch. Call 6-4433 and report that you have initiated call trace.
- Obtain as much information as possible about the call/caller using the following checklist:

(a) BASIC INFORMATION:

Time call was received
Exact wording of threat
Person receiving call
Organization
Telephone Number
Address/Bldg Number
Time caller hung up

(b) DESCRIPTION OF CALLER'S VOICE:

Male/Female
Young/Middle age/old
Tone of Voice
Accent
Is the voice familiar?
If so, who does it sound like
Background noises

(c) QUESTIONS TO ASK ON BOMB THREATS:

When is the bomb going to explode?
Where is the bomb?

What kind of bomb is it?
What does it look like?
Why did you place the bomb?

12. PRIVATE TELEPHONE SERVICE FOR INDIVIDUALS: Occupants of quarters in the Capehart, Bunker Hill, Wherry, or Dorms desiring private telephone service are directed to contact the business office of any of the local telephone service companies.

13. MINIMIZE PROCEDURES: During an actual or impending emergency or exercise, the base commander may impose MINIMIZE to reduce the volume of all communications traffic over military networks. This reduction is necessary to ensure that essential traffic is processed and conveyed promptly. Essential telephone traffic is limited to those calls, which must be completed in order for the activity concerned to avoid a serious detrimental impact on mission accomplishment or to assure the safety of life. Base switchboard operators will advise the calling party when MINIMIZE conditions are in effect. Prior to placing a call, each person should determine that his message meets the essential telephone traffic criteria. Incoming calls will also be restricted to comply with those criteria. Calls not falling within the scope explained above will be deferred until the MINIMIZE condition is removed.

14. CONFERENCE BRIDGE. All on base phones have the capability of making conference calls with up to 5 extensions by dialing the first extension then depressing one of the following;
conference key or pressing the switch hook-flash. Once the party has been reached depress conference key or press switch hook-flash to add individual to conference. To add additional members repeat above steps. If the calling party anticipates the need to contact more than five extensions at the same time, the conference bridge can be set up by contacting the Switchboard supervisor no later than 24 hours prior to the conference. The operator will explain the procedures to the caller. Conference bridges can be used for calls with 3 to 24 parties.

15. PHONETIC ALPHABET. The use of the phonetic alphabet is of value on pronouncing isolated letters and spelling out normally difficult to understand names over the voice communications. The following is the suggested phonetic equivalent:

A - ALFA	N - NOVEMBER
B - BRAVO	O - OSCAR
C - CHARLIE	P - PAPA
D - DELTA	Q - QUEBEC
E - ECHO	R - ROMEO
F - FOXTROT	S - SIERRA
G - GOLF	T - TANGO
H - HOTEL	U - UNIFORM
I - INDIA	V - VICTOR
J - JULIET	W - WHISKEY
K - KILO	X - X-RAY
L - LIMA	Y - YANKEE
M - MIKE	Z - ZULU

16. ABBREVIATIONS USED IN THIS DIRECTORY:

USPO -	UNITED STATES POST OFFICE

18. DEFENSE SWITCH NETWORK (DSN). DSN is the principal long-haul voice communication network within the Defense Communications System, providing nonsecure direct distance dialing service worldwide through a system of government owned and leased automatic switching facilities. The purpose of DSN is to handle essential command and control operations, intelligence, logistics, diplomatic, and administrative traffic.

a. PRECEDENCE. The Joint Uniform Telephone Communications Precedence System is directed for use by all authorized users of voice communication facilities of the Department of Defense. Since the effectiveness of the system depends upon cooperation on the part of persons authorized to employ it, users must be familiar with the purpose to be served by each level of precedence category and the types of calls that may be assigned the respective precedence. The precedence categories are FLASH, IMMEDIATE, PRIORITY & ROUTINE.

-FLASH-

FLASH Precedence is reserved for alerts, warnings, or other emergency actions having immediate bearing in national, command, or security areas (e.g., Presidential use; announcement of an alert; opening of hostilities; land, air, or sea catastrophes; intelligence reports on matters leading to enemy attack; potential or actual nuclear incident; implementation of services, unilateral emergency actions procedures, etc.).

-IMMEDIATE-

IMMEDIATE Precedence is reserved for vital communications:

(1) Having an immediate operational effect on tactical operations.

(2) Which directly concern safety or rescue operations.

(3) Which affect the intelligence community operational role (e.g., initial vital reports of damage due to enemy action; land, sea, or air reports which must be completed from vehicles in motion such as operational mission aircraft; intelligence reports on vital actions in process; natural disaster or widespread damage; emergency weather reports having an immediate bearing on mission in progress; emergency use for circuit restoration; use by tactical command posts for passing immediate operational traffic, etc.).

-PRIORITY-

PRIORITY Precedence is reserved for calls which require higher precedence (e.g., reports of priority land, sea, or air movement, administrative, intelligence, operational, or logistics activity calls requiring priority action, calls that would have a serious impact on military, administrative intelligence, operational, or logistic activities if handled as a ROUTINE call). Normally, PRIORITY will be the highest precedence that may be assigned to administrative matters for which speed of handling is of paramount importance.

-ROUTINE-

ROUTINE Precedence is reserved for all other official communications. The assignment or use of a precedence designation, based solely on rank or duty position, is strictly prohibited.

b. USE OF DSN:

(1) DSN calls are authorized for official communications only, and will be restricted to:

(a) Only those calls that are essential require a timeliness that cannot be obtained by other means, and would stand the scrutiny afforded a commercial toll call.

(b) The minimum time required accomplishing the official business and will not normally exceed 5 minutes.

(c) The use of graphic, facsimile or unsecured voice-data devices only when approved by the Chiefs of the Military Services and heads of DOD agencies or activities. Voice-data and facsimile service in DSN will normally not exceed a continuous transmission time of 15 minutes or a total transmission time of 1 hour during normal business hours.

(2) DSN will not be authorized for:

(a) Use directly or indirectly by any nonappropriated fund activities (clubs, exchanges, and other unofficial activities providing telephone service at post, camp, station, or base level) and civilian contractors, except when approved by the Joint Chiefs of Staff.

(b) Calls within an installation, metropolitan area, or those confined to geographical areas where other such existing government provided local telephone service is adequate.

(c) Unofficial or personal calls.

(d) Off-net extension of calls into the commercial system at a distant PBX/PABX, except where such extension has been previously approved by the local authorities controlling the switchboard.

c. TELEPHONE MONITORING. The users of the DSN should be aware that this DOD system is for official use only and is subject to management monitoring in accordance with DOD Directive 4640-1, Telephone Communications Security Monitoring.

d. CALLING INSTRUCTIONS. DSN calls can be placed from Class A extensions only.

(1) Routine calls:

(a) Verify the DSN number.

(b) Listen for the dial tone.

(c) Dial 94.

(d) Listen for DSN dial tone.

(e) Dial the 7-digit DSN number.

(2) Precedence and Overseas DSN calls:

Dial 0 and give the operator your name, extension, precedence of the call or overseas area being called and the DSN number desired.

e. DSN ASSISTANCE. Call assistance, and directory assistance for DSN calls are provided by the Base Directory Assistance Operator, ext. "0".

f. DSN TROUBLE REPORTING. If trouble is encountered while using DSN, do the following: Retain the circuit connection and report the trouble immediately to the Sheppard telephone operator by dialing 0 from another Class A extension. Give the details of the DSN trouble, your extension and location, the DSN number and location of the called party, a brief description of trouble and the time it occurred. Items requiring repair, such as frayed cords and broken telephone parts, are not DSN trouble and should be reported directly to telephone repair, ext. "0".

19. AETC ALERT WARNING SIGNALS: If these warning signals are sounded, or if a severe weather watch or warning is announced, do not use the telephone. All available information will be disseminated via radio and TV.

-SIGNAL-

3 - 5 Minute Steady Tone

MEANING - Alert Signal; imminent peacetime emergency (tornado, earthquake, flash flood, etc.).

ACTIONS - Monitor radio, TV, and base PA for instructions.

-SIGNAL-

3 - 5 Minute Wavering Tone

MEANING - Attack Warning; actual attack is imminent or in progress.

ACTION - Take immediate shelter or other protective action.

-SIGNAL-

Wavering or steady tone not exceeding 30 seconds

MEANING - Test of alerting system only.

ACTION - None required.

20. STANDARD TELEPHONE FEATURES

a. CONFERENCE - The user can set up conference conversation with up to 5 other base numbers see directions contained in para. 14.

b. RING AGAIN - The user can set the phone to automatically ring back on a busy number when that number is not busy. Establish ring again hit switch hook-flash *55 and hang up. To cancel lift handset dial *56 and hang up.

c. CALL TRANSFER - The user can transfer a call to another base number. Switch hook-flash dial extension and hang up.

d. CONSULTATION HOLD - Switch hook-flash dial *67 and hang up. To reconnect lift hand set

e. CUSTOMER ESTABLISHED CALL FORWARD NO ANSWER - To establish call forward after 3 rings lift handset dial *21 enter extension # and hang up. To cancel call forward lift hand set dial *23 and hang up.

f. CALL FORWARD - To establish immediate call forward lift handset dial *22 dial extension # and hang up. To cancel lift handset dial *23 and hang up.

g. CALL PICKUP - To answer a call within a call pick up group, lift handset and *77.

h. CALL PARK - To park a call while caller is on line press switch hook-flash dial *65 and

hang up. To retrieve the parked call from any phone lift hand set dial *66 and the extension number where you parked the call.

21. NON-STANDARD FEATURES (Must be requested, no fee)

a. CALL FORWARD NO ANSWER - The phone can be programmed to forward to another number if it is not answered after three rings.

b. HUNT IN A BUSY SITUATION - The phone can be programmed to forward to another number if it is busy.

c. CALL PICK-UP - Groups of phones can be programmed to pick up calls for each other.
